HEAD TEACHER UPDATE

I am always amazed at how independent our children are in school. I often return to my office to find a letter from a child or group of children with ideas and suggestions for things they would like to do or see in school from a having a class hamster, to running a club or organising a charity event. Many of these ideas are practical with a bit of tweaking and some staff support. The determination and organisation that the children show is amazing. Here are just a few of the activities the school and staff are currently supporting.

Peyton Mitchell, Isabel Laker, Holly O'Neil, Molly Ashley and Jessica Davey are running a dance, acro and acting club for Year 3, 4 and 5 on a Wednesday lunchtime.

Jake Burgess, Tyler Mosley, Jack Arnold and Toby McKinlay are organising a Match Attax Club for their peers in Year 4 and 5 on a Thursday lunchtime, starting this week.

Sadie Bath is collecting clean milk bottle tops for a Downs Syndrome Charity. Any bottle tops can be dropped off at the office.

Evie Evans and Eva Wallace are running a lunchtime gym club with the support of Mrs Simpson, the girls are great coaches and are very enthusiastic in the sport.

Here are a few ideas and requests which are still being considered; a Hamster for Year 5, a tennis club and a request to support a charity called 'Sight Savours'.

I wonder what tomorrow will bring!

HV Sports Update

Tournament Report—Year 6

"On the 2nd October, Mr Langrish and Mrs Simpson took ten Year 6 boys to the Predator football tournament. This was our first tournament together so we didn't expect to win. However, we still fought as a team and kept our heads up.

The first game we were confident and came away with a 2—0 win. Jaydon scored a great goal and we got a lucky own goal. Even though we lost three matches we can't wait to go to our next tournament. Well done to the following players:

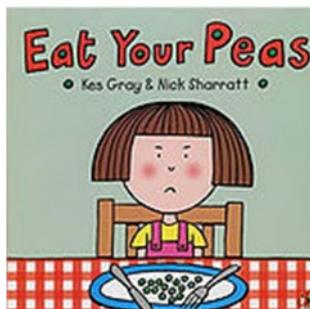

Zach who didn't let any player get past him; Owen who always stood up to the challenge; Harrison who was very quick on the ball; Javan for his great long distant passes; Reece for being a great captain and good on the ball; Jed who despite an injury, kept on going; Enrico for his amazing fancy skills; Jaydon the goal machine and Freddy for never giving up."

Reading Focus

It was dinner time again and Daisy just knew what her mum was going to say, even before she said it. "Eat your peas," said Mum. Daisy looked down at the little green balls that were ganging up on her plate. "I don't like peas," said Daisy. And so the battle of wills begins. What does Mum have to promise to get Daisy to eat her peas? An extra pudding, a chocolate factory or a space rocket with double retro laser blammers?
