HEAD TEACHER UPDATE

As a school, we try to communicate as much as possible through a whole range of methods, including this weekly update, texts and face to face contact with staff. Obviously this is a two way process and we would like to have a structure to help you resolve any issues quickly and positively. If you have any suggestions on how the school can improve our practice please let us know.

Please can I ask that your first point of contact is your child's class teacher. If you feel that the issue has not been resolved to your satisfaction, then please make an appointment to see the Year Leader. If your child is in Reception, this will be Mrs Burton and Mrs Jackson, if your child is in Year 1, this will be Mr White, in Year 2 Mrs Wilkins, in Year 3 Mr Mather, in Year 4 Mr Curry, in Year 5 Mrs Pope and in Year 6 it will be Mrs Edwards and Mrs Baldwin.

If, of course, you still feel that the issue hasn't been resolved then please make an appointment to see Mrs Simpson and Mrs Smith as Assistant Headteachers, myself, or Mrs Setchfield as deputy.

Year R Nativity Parent Donations

The Reception team would like to say a huge thank you to all the parents and relatives who donated money at the end of the nativity. We raised £130 and this was then used to buy gifts which were donated to Wave 105's Mission Christmas. I am sure some children in the south had a much better Christmas thanks to your generosity!

Apologies to Noah for not publishing his award the end of last term.

Year R: Noah Harding

You are a huge asset to your class due to your kind and enthusiastic nature. You listen carefully to others and are respectful of their ideas. You are very independent, confident and always willing to help. Well done. We are all very proud of you!

Bikeability

For a number of years we have offered Bikeability training to our children in Year 6, which has been really popular. We are unable to offer the Year 6 children the Bikeability course this year due to financial and time constraints. The Borough Council do however train children locally. If you would like to book this course please look at:

Jigsaw

This half term, in Jigsaw, we are talking about the children's dreams and goals. This might be an aspiration they want to achieve in life or it might be something short term that they would like to achieve at school or at a club. As staff, we have been really impressed with some of the children's dreams and how they would like to achieve them!

We need your help!

Sadly, Mrs Lambert our fantastic librarian left last week after securing a full time position as a receptionist. We wish her all the very best in her new position. The children at Hill View are all very independent but do need some assistance in keeping our library tidy and ensuring all the books are appropriately shelved. We would appreciate any help from parents/grandparents to help keep our library a centre piece of our school. Training will be given to anyone who is able to volunteer.

E Safety Presentation for parents

On Friday 9th February at 9 am we have organised for the Safer Schools Community Team to lead a 1 hour E Safety presentation for parents. Come along and find out what is trending online and how to keep your child safe online.

HV Sports Award

Well done to Ollie Harding in year R for his excellent effort in the Northern Lights dance using scarves. Well done also to Eva Wallace in year 5 for her excellent effort and focus during gymnastics.

Reading Focus

Reading books improves a child's attention span. Books with colourful pictures work even better than text-only books.
