HEADTEACHER UPDATE

Dear Parents/Carers,

It's been a busy couple of weeks here at Hill View!

Last week we had a two day visit by REACH South Trust and once again the children proved to be our greatest asset! They were able to talk about their learning and how they independently access and use different resources in the classroom to support them when they need support. The children were also able to tell our visitors about our reward systems in school as well as the consequences if they make the wrong choices. They even spoke about the fire procedures! Our visitors made a point of saying how polite our children are.

The next step for our children is to be able to talk confidently about their targets and next steps in their learning. It would be great if you could support your children by talking to them about their next steps in learning over the coming weeks. Through discussion and explanation they will gain confidence in themselves as learners and know their own learning journey implicitly.

Also Year Two play 'Hansel and Gretel' was an amazing performance. Our Chair of Governors was really impressed with the confidence of the performers. The children showcased their performance skills. Well done Year Two!

I would just like to say a big thank you to the PTFA for arranging the pantomime last week, I know the children really enjoyed the experience.

Have a lovely weekend.

HOT SCHOOL MEALS

Please can we remind parents who order their child a hot school meal that orders need to be with Chartwells one week in advance. For example, if you wish your child to have a hot school meal on the 11 March, the order must be with Chartwells no later than 3rd March.

MORNING DROP OFF

If your child is attending a morning school club, e.g. Netball, Maths Reasoning etc. parents must wait with their child in the front reception until a member of staff collects them.

Y4 'ACTING UP' PERFORMANCES

Please can Year 4 children bring their costumes for their 'Acting Up' performances to school the week beginning the 11th February. Please can parents also help and assist their children to learn their lines for the performances.

HOPE FOR FOOD

This amazing local charity are in desperate need of carrier bags as unfortunately the supermarket chains are no longer supplying them.

SAFER INTERNET DAY 2019

was celebrated globally yesterday (Tuesday 5th February) with the slogan "Together for a better internet", the day provided a fantastic opportunity to engage with children about their digital lives.

To help you talk to your children about having a positive and safe time online, the Child Exploitation and Online Protection Centre UK (CEOP) have created a pack for parents and carers, including conversation starters, a factsheet, family pledge card and more!

There is also a short film for parents and carers to accompany this pack and serve as a conversation starter. Follow the link to access:

In school our focus on staying safe and being happy when using computers, continues (by computers we mean any type of computer which allows children to go online, e.g. tablet, phone, games console, laptop...). We are particularly emphasising children's understanding of what consent means online - giving consent when we sign up for games and online accounts and receiving consent, before we share things online.

Some other areas we are covering over the next few weeks are:

Game Ratings - PEGI 16 and PEGI 18 - why these rating are given and why these games are not meant for children.

What exactly is social media, is it good for me and why does it have minimum age guidelines?

Staying safe when playing online games - who counts as a stranger and what should you do when strangers try to contact you?

What exactly is grooming? How strangers can make us feel like we know them and trust them online.

As a final note, school has conducted surveys of how and when children use their computers at home. This was a completely anonymous survey, only differentiated by year group. We found that a proportion of younger children like to play on their tablets when parents think they are asleep. Some also said that they wake up in the middle of the night when the rest of the family are asleep and have a play on their tablets. If you don't already do so, it's a really good idea to remove all devices from children's bedrooms and leave them to charge in your own room every night.

Hill View Primary School PTFEA 2018-2019

Here's what we have achieved so far this academic year:

- ❖ 200 Club draws (Aug-Jan) **£198** profit
- ❖ Pre-loved uniform sales (Sept-Jan) **£429.05** profit
- ❖ Autumn Disco **£566.97** profit
- ❖ Christmas Cards – ArtBank - **£249.23** profit
- ❖ Donations from various companies/people **£1,012.60**
- ❖ Storytelling evening YR **£93.67** profit
- ❖ Table Top sale **£247.50** profit

Things coming up:

- ❖ Silver Smarties Challenge (**£163** for the tubes – return 1st March for mufti)
- ❖ Mother's Day Secret Room – paid out **£246.97** already on gifts so far
- ❖ Easter Chocolate Bingo night
- ❖ Father's Day Secret Room
- ❖ Family Fun evening

Additional things we bought for the school:

- Xmas games for classes **£560.91**
- Pantomime **£1,299**
- Boys football kit **£145** remaining balance of **£300** was sponsored by Slades estate agents.

We are in the process of obtaining 3 quotes for a new modular stage for the school – while we currently have enough funds to purchase this, this would be all our money gone. We need to ensure we have a running float of money in our account to buy the things we need in order to run the remaining events for this year.
