HEADTEACHER UPDATE

Dear Parents/Carers

The weeks are flying past and it is hard to believe we are only a couple of weeks away from Easter. As you are aware it has been an extremely busy term so far and I am so pleased with the community spirit shown by the children and their families here at Hill View.

The chocolate mufti contributions were amazing today and this is really going to ensure that our PTFA Chocolate Bingo is a resounding success. This, alongside the contributions to Red Nose Day (amount raised to follow next week), truly shows what a fantastic place Hill View and its surrounding community is. Thank you again for all of your support.

Have a fantastic weekend!

Easter Bingo Night

Don't miss this fun filled night. Places are selling fast. Tickets are available on Classlist or you can pick up a paper copy in the school office. The deadline is **Thursday 21st March 6pm**

COFFEE MORNING

On Tuesday 2nd April we will be holding a coffee morning for parents to discuss online safety for children.

We look forward to seeing as many parents as possible.

BIKE TO SCHOOL WEEK

Next week is 'Bike to School Week'. Why not try a different mode of transport – leave the car behind, breathe in the fresh air and keep fingers crossed for no rain!

Year Six pupils will be completing a survey for each class, that they will then be using for their data handling maths focus. They will be converting the data into bar charts, pie charts and line graphs – look forward seeing their findings on a future newsletter!

It would be great to see if we could encourage Hill View children to be even more environmentally friendly as they travel to school.

THE SCHOOL OFFICE

The school Office is open from 8am to 4pm until Monday 1st April when the opening times will be from 8am to 4:30pm.

POLITE REMINDER FOR PARENTS

Please do not use the doors that lead from the big playground to the small playground to walk through the school. This is to keep all of our children safe. Please enter our school in the correct manner.

REQUEST FROM SITE MANAGER

If anyone has any garden storage containers that they no longer use, but are in good working condition, please can we have them. All of our storage boxes are on their last legs and need replacing.

REQUEST FROM RECEPTION

Any spare girls children's pants, tights or socks that are no longer needed, would be greatly appreciated by the reception team. We are very short at the moment.

TEXTILE RECYCLING

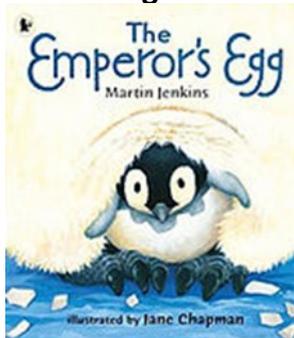

Just a reminder that the textile recycling bin is in the small playground. We are looking for clothes, shoes, handbags, belts and home textiles. The more we recycle the more we earn. Please can you ensure all textiles are placed in bags before placing them in the bin. We have earned approximately £60.00 which goes directly to the school, so thank you very much for your support.

ROAD SAFETY

Hill View Road is an extremely busy road, and have had members of the public call and say that parents and children have been walking in the road in order to overtake other pedestrians.

We also have cars parking in inappropriate areas on the road. Please could everyone consider the safety of our children and park and walk appropriately.

Reading Focus

The Emperor's Egg – Martin Jenkins

The Emperor penguin is the only large animal to remain on the Antarctic mainland throughout its bitterly inhospitable winter. Once the female has laid her egg, she heads back to the sea, leaving the male to incubate it. He then spends two months standing on the freezing cold ice with the egg on his feet! This is his story.
