## Reach For The Stars.

### HEAD TEACHER UPDATE

I hope you all had a great half term and enjoyed the good weather. It has been a busy start to the school week with the Governors and Trust interviewing for the Headship of our school. The Governors will shortly make an announcement once all the necessary stages have been completed.

At lunchtime I received a call from Ofsted to inform me that the school is being inspected tomorrow. You should have received a letter and booklet about the inspection process along with a link to the Ofsted parent survey. Children are also encouraged to complete an online survey but many of the younger children may need your support with this. The staff and I are looking forward to sharing with the inspectors our children's great attitude to learning and amazing behaviour.

Headteacher

### CAREY CAMP

The staff who accompanied the Year 4 children to Carey Camp spent the first few days of the half term catching up on sleep following some early mornings and late nights. The children had a great time and it was good to watch them grow in confidence and independence. Many children washed up their own plate and cutlery for the first time and had to be responsible for organising and packing their own suitcase. The children thoroughly enjoyed the den building and orienteering.

### COFFEE MORNING 9.00—10.15AM TOMORROW MORNING - NORTH HALL

We are delighted to welcome Mr Garner to our coffee morning tomorrow to share and demonstrate his specialist first aid knowledge for children and answer any of your questions. We are lucky to have this opportunity to learn more about caring for our children and very much look forward to seeing you there. Coffee, biscuits and a friendly environment guaranteed!

## YEAR 6 RESIDENTIAL TRIP

We are very excited for our year 6 residential next week and praying for fine weather. If your child would like to write home while away, can you please provide them with a stamped addressed envelope and some note paper to write on. The children will not be visiting the shop and therefore we ask that your child does not bring any money with them as it will not be required.

If not already done so, please return your signed consent form for antihistamine cream and transport permission to the front office by 8.30am on Friday 8th June.

## MUFFIN QUESTIONNAIRE

Year 5 would like to thank you for completing the on line Muffin Questionnaire. The results have certainly helped the children to design and market a unique savoury muffin and they are busy preparing for the Dragon's Den next week.

## YEAR 5 CAKE SALE

Year 5 would like to invite all parents and children to their cake sale this Friday 8th June at 3.20pm in aid of Julia's House. Isabelle Clarke and a group of friends are busy baking!

## PET TALK

Although dogs are not permitted within the school grounds, parents and carers use the school run as an opportunity to take their dogs out for a walk. Some dogs may be slightly anxious with the hustle and bustle around school, so please take extra care around dogs and always ask permission from the owners if you or your child would like to approach or stroke the dog.

## ABSENCE REQUESTS

In order to consider a period of absence from school, any requests must be submitted on an absence request form. These can be obtained from the school office. In recent months we have seen a significant rise in holiday requests and subsequently we will now be issuing penalty notices for any periods of absence that are unauthorised.

## PTFA NEWS

Come and grab a bargain at the pre-loved uniform sale on display in the school reception this week. Payment is via an honesty box on the office counter.

Autograph books are now on sale in the front office. They are £3.50 each and a great way to create a memory book of your child's years at Hill View.

The PTFA are taking donations and require helpers for the Family Summer Fun Night 5pm - 8pm on Friday 22nd June. Full details of the event to follow.

Unfortunately, due to lack of helpers, the PTFA have had to cancel this year's Father's Day Secret Room.

## HOT SCHOOL MEALS

KS2 meals are increasing from £2.30 to £2.40 each from September 2018.

**HV Sports Awards:** Well done Olivia Mate for demonstrating excellent teamwork and skill in Gym and Athletics and to Lauren Giles for her enthusiasm for PE and kindness in offering to help other children. Both girls are well deserving of our HV Sports Award. Congratulations to you both!

## Reading Focus

Reading reduces stress! A study by consultancy firm Mindlab International at the University of Sussex showed that reading reduces stress. Subjects only needed to read, silently, for six minutes to slow down the heart rate and ease tension in the muscles.
