

Hill View Primary School

Reach For The Stars.

Newsletter No. 06 18/10/17

HEAD TEACHER UPDATE

Only a few more days to go until half term! We have had such a busy few weeks; the time has gone so quickly. We are very excited about our Well Being day this Friday when everyone can come to school dressed in the colour 'blue', for our water themed day.

OUR ETHOS VALUES ASCENT

Aspire, Success, Community, Excellence, Nurture and Trust

The ethos values are central to school life at Hill View Primary. They exist to challenge, motivate and encourage the school community to 'Reach for the Stars.' This half term we have been focusing on our first ethos value – ASPIRE. The dictionary says:

“direct one's hopes or ambitions towards achieving something.” At Hill View, we want our pupils to aspire to the greatest achievements they can possibly gain throughout their life.

At school our vision states:

‘We ASPIRE to challenge ourselves to become who or what we want to be. To recognise the opportunities that will enable us to fulfil our talents, hopes and dreams.’

To believe that anything is possible.

The staff and children have been considering what behaviours would demonstrate our value of Aspire. Thoughts from staff included 'take risks to drive forward change' and 'seek new ideas, approaches and act upon them.'

When it was discussed in assembly one child stated 'I would like to be a doctor in the RAF.' When asked what behaviours are needed to achieve this dream she replied 'I need to work hard and be good at sciences.'

What does your child aspire to? How are they aiming to achieve this? It is not about knowing what they want to do when they grow up. It is about having the confidence to know they can achieve if they try.

Mrs Amanda Jones

Headteacher

Wellbeing Day

Friday is our Wellbeing Day, the children will participate in a variety of activities such as art, yoga, meditation, teambuilding and philosophy throughout the day. It is a great opportunity for the children to work with friends from other classes, meet new teachers and have some fun.

The theme for the day will be water and we are asking the children to dress in blue. Y4 will be having their own Wellbeing Day on Thursday 19 due to their exciting trip to Paultons Park on Friday 20th October.

Donations of filter paper for coffee machines and boxes for junk modelling would be gratefully received. It is going to be a fun day!

Coming Up...

19/10/17 - Y5 Science Fair Outcome

1.30pm Shakespeare

2pm Hardy

2.30pm Tolkien

20/10/17 - Well Being Day

Attendance 😊

Last week's attendance:

96.35 %

Best Year 1/2 Class:

Monet (96.2%)

Best Year 3/4 Class:

Ennis & Redgrave (100%)

Best Year 5/6 Class:

Tolkien (98.6%)

ASCENT

Well done to the following children who received this half term's Ascent Awards.

The winners all demonstrated our ASCENT ethos values: aspire, success, community, excellence, nurture and trust through their behaviour and attitude in school.

Isaac Garrett (YR)

We are so proud of the fantastic start Isaac has made at Hill View! Isaac really aspires to do his best in all the challenges he meets and does not give up even if it is tricky! He is not afraid to accept a challenge and when Isaac has struggled, he has been brave enough to ask for help when he needs it. Isaac is kind and nurturing and is always the first to cheer someone up when they are feeling upset. Isaac felt worried about starting school so he has been understanding and helped those that have felt the same. Isaac is so grown up and we are very lucky to have him in Ahlberg class!

Toby Clist (Y1)

In everything he does, Toby sets out to do the best that he possibly can. He has demonstrated perseverance and determination over the past half term, which has often led to him making great improvements from his starting points. At all times Toby is polite, well-mannered and respectful, sets an example to others with his behaviour and can be relied on when given responsibilities. It is Toby's attitude and high expectations of himself that mean he is fully deserving of this award. Well done!

Mac Jacobs (Y3)

Mac is a wonderfully cheerful part of the Y3 community and always greets teachers and his peers with a warm smile. Mac shows a mature, nurturing approach to all areas of school life including supporting his peers to stretch themselves, while offering calm encouragement and positive guidance. With exemplary manners, he is a role model and has shown that he can be trusted to undertake jobs and tasks. His hardworking approach to tasks results in his great success. Keep reaching for the stars!

(Y4) & (Y6) ASCENT is not being awarded until after half term. The recipients will be announced at a later date.

Annie Eva (Y5)

Annie puts in her full effort, striving to make sure all her work is done to the best of her ability. She has a quiet determination to succeed, is self-motivated and pushes herself to ensure her work is high quality both in content and presentation. Annie is a courteous and thoughtful member of the class, who looks out for others and takes opportunities to help them in their learning. She is reliable and helpful, taking the initiative to help with a variety of jobs in the classroom, which she can be relied upon to complete efficiently and effectively. Annie sets an excellent example in her behaviour and attitude to learning at all time.

HV Sports Update

Y6 FOOTBALL TOURNAMENT

Year 6 played at Littledown Predator Tournament on the 5th October. Despite winning three games and drawing one, they did not qualify for the finals. The team played exceptionally well and are looking forward to future games this year. The squad included: Leon Gill, Cohen Ellement, Mitchell Edwards, Luke Chavez-Munoz, Harrison Coles, Joshua Haines, Charlie Hennessey, Ethan Kirby, Robert Taylor, Bradley Walker. The team were well supported by enthusiastic parents and grandparents. Finally, a big thank you to Chris Kirby for providing his coaching expertise.

NETBALL club begins on the 1st November at 8 am for children in Year 5 and 6.

Free Themed Workshops

Bournemouth Parent Carer Forum are holding a number of free workshops in conjunction with Linwood School and the Learning Disabilities Team. See poster attached for further information.

Lunchtime Supervisor Vacancy

We currently have a vacancy for a Lunchtime Supervisor. Please see advert attached for further information.

Y6 Student Update Forms

Thank you to the Year 6 parents who have already returned their child's Update Form. If you haven't done already, please can you return them to the office by this Friday 20 October.

Coffee Morning

The next coffee morning is Thursday 2nd November, 9am to 10.15am. The topic will be First Aid for Children so please feel free to join us.

A Fantastic Donation

JPMorgan have agreed to donate £400 and provide a group of volunteers to support the school in its work to continue to develop the school grounds. A very big thank you to Rachel Herring one of our parents for nominating and supporting us with the bid.

Christmas Cards

A big thank you to the PTFA and all the volunteers who came into school to work with the children in Year R making Christmas Cards. The children had a great time printing and painting, the images produced, looked wonderful.

Congratulations

Good luck to the following staff who will be leaving us at the end of the week. Mr Squires our Site Manager for a number of years is retiring. I am sure you will join us in thanking him for his dedication to the school and ensuring it is a safe place to be.

Mrs Pearce, who works in the front office, has secured a new position working with 'numbers' which is her love. We wish her all the very best, we will miss her efficiency, warm welcoming smile and those wonderful Christmas hats...how many!

Mrs Green, who this year has been teaching French to children in Year 1 to 6, has secured a teaching position at Ringwood Junior School. We will miss her and want to wish her all the very best for the future.

Gate Opening at the end of the Day

We received some feedback from parents regarding the outer gate not being opened promptly at the end of the day, which causes congestion on the pavement. Unfortunately our site manager has been absent for a number of months leaving the job to the leadership team and sometimes they are late opening due to teaching commitments.

Have a great half term and we will see you when school reopens on Tuesday 31st October 2017.

Reading Focus

Books vs films!

As half term approaches, many of you will be getting comfortable on the sofa with a bag of popcorn and a good film. So why not watch the film and read the book!
