For Schools with a Nursery Class only

Application can be made for a place in a nursery class for a child the term following the child's third birthday. Typically the start date would be at the start of term or half-term following:

- The receipt of the child's application where the child is 3 or 4
- The term following the child's third birthday where an application has been made early

1. Children with a statement of special educational need
2. Children who are "Looked after" by a Local Authority or a child who was previously looked after but immediately following being looked after subject to an adoption residence or special guardianship order. (See Note 1.)

In the case of over subscription in categories 3 - 6. Please see note (2(i) & 2(ii)) below.

Where a child is not able to be offered a place at the preferred nursery class then the child's name can be put on the waiting list for the nursery class. Vacant places arising during the year will be offered according to the admission priorities outlined above.

Notes

A child who is in attendance at a nursery class of a school does not gain automatic admission into the Reception year at the school. Places in school reception classes are allocated according to a separate application process.

Admission Criteria - Notes

1. A looked after child is a child who is (a) in the care of the local authority or (b) being provided with accommodation by the local authority in the exercise of their social services functions as defined in section 22 (1) of the Children Act 1989.
2. In the case of over subscription in categories 1, 3 - 7 and for Nursery Class categories 3-6 priority will be given to these children:
 - (i) where a placement is recommended for medical reasons as essential by the Council's professional medical advisors or where there are exceptional reasons supported by evidence from a Social Worker or Educational Psychologist or Education Welfare Officer employed by the Council which in the view of the Corporate Director with specific responsibility for Children and Families Services require placement at a particular school.
 - (ii) live closest to the school as measured by the straight-line distance calculated by the Authority's Geographical Information System (GIS) in use at the time of allocation (the system at the time of setting the policy takes the measurement between the address mapping points of the school and the applicant's home). If distances are equal as calculated by the Council's GIS system for example a flat in a block of dwellings with the same front entrance a random allocation system will be used to determine the allocation. Details of this process are outlined below in Note 14.
3. In the case of over-subscription in category 2 priority will be given to applicants in the main admission category order sub-divided by the priorities in Note (2) (i) and (ii) above.
4. Brothers and sisters are defined as half or full brother or sister adoptive brother or sister and the children of parents who are married or cohabiting where the parents and children live together in the same household.
5. When considering twins triplets or other multiple births places will be offered above the published admission number to the other twin triplet or multiple birth children whose twin triplet or multiple birth was offered a place within the admission number. Twins triplets and multiple births will be given a priority over other sibling links and other applicants.

6. Applicants seeking admission under category 6 will be required to supply evidence from the Vicar of the relevant Parish of being practising members of the faith. Regular attendance is considered to be at least fortnightly demonstrated over a period of at least 12 months before the closing date set by the Local Authority for return of applications. A Supplementary Information form is available for parents applying under this category.
7. The Council will apply the above criteria to applicants subject to the following exceptions:
 - (i) where an applicant is seeking admission for the September entry of the school entry year applications received before the closing date will initially be given priority over those received after the closing date. Under exceptional circumstances a late application may be considered as received on time. Exceptional circumstances could be illness involving hospitalisation or a bereavement or as prescribed within the co-ordinated admission arrangements.
 - (ii) where a child has a statement of special educational needs and for whom there is a legal requirement to admit to a particular school named in the statement.
8. A child's main residence will be the dwelling of the parent or carer in receipt of Child Benefit and proof of who is in receipt of Child Benefit may be required by the Council prior to offer of a school place. If Child Benefit payments are not made or suspended then the decision on which address to use for the child for the purposes of admission to school only will be made by the Director of Adults & Children's Services on the advice of the legal department of Bournemouth Borough Council. The legal department will consider pertinent evidence from both parents to determine the property in which the child mainly resides. The Council may verify the address via the Council's Council Tax records. The Council may also require other evidence of proof of address. Examples of acceptable proofs of address will be listed in the Council Information Booklets.

Waiting Lists

9. The Council operates a formal waiting list for those refused a place. Subject to note 5 the waiting list is ranked according to the over-subscription criteria. Any places that do become available if not required for a child with a statement of special educational need or one who is required to be admitted through an In-year Fair Access Protocol are allocated in accordance with these criteria. The waiting list does not give priority either to those that have been on the list longest or to those that applied after the closing date.

Waiting Lists for main entry years will cease on 31 December 2015. Previous applicants wishing to continue on a waiting list must re-apply to Bournemouth Council between 1 and 31 December 2015. Waiting lists for all other year groups will cease at the end of the academic year 2015/16. Applicants will be required to re-apply (in August 2015) for admission if they wish to continue to be considered for a place. Please note Bournemouth Borough Council may review waiting lists on a regularly basis at the end of each term or when a place becomes available at a school.

Co-ordination between Admission Authorities

10. In accordance with the law and the agreed schemes the offer of places at the main points of entry at the primary and secondary level will be co-ordinated between all those who decide upon admissions to schools (admission authorities) in Bournemouth.
11. Schools in Bournemouth together with Bournemouth Council operate an In-Year Fair Access Protocol in accordance with the Code on School Admissions. This is reviewed by The Admissions Forum on a regular basis. A single application form will be available for all applications for in-year admission.

Entry into the Reception Year

12. Applicants seeking admission of their child to the Reception class whose child will reach the age of 4 on or before 31 August 2015 and whose child is born between 1 September 2010 and 31 August 2011 may choose for their child to start school in September 2015.

Parents can request that the date their child is admitted to the school Reception Class is deferred until later in the school year or until the child reaches compulsory school age in that school year without affecting the offer of the school place. Application to defer entry should be made direct to the school after the offer of a place has been made and accepted by the parent.

Parents can request that their child takes up the place part-time until the child reaches compulsory school age. Application for their child to go part-time must be made direct to the school after the offer of a place has been made and accepted by the parent.

At schools that have Nursery classes transfer to the Reception year is not an automatic process. Applications for a place in the Reception year from parents with children already attending a Nursery class will be considered at the same time as applications from parents whose children are not attending the school's nursery. All applications will be considered in accordance with the priorities set out in the admission policy. Children currently attending the Nursery class do not receive priority.

Entrance to the Nursery Class

13. Administration of admission to the nursery class is devolved to the Governing Body of schools with a nursery class.

Final Tie-Break Allocation Process

14. If there are insufficient places to accommodate all applicants and after using all tie break criteria applicants for the final place(s) cannot be split the remaining place(s) will be allocated using a random allocation process. The process will be electronically administered through the IT providers in use at the time. At the time of setting this policy the providers are Tribal Technology.

School Admission Appeals

15. The Council will not consider repeat appeals by the same applicant for the same school in the same academic year unless the applicant is able to prove that there have been material changes in their circumstances since the previous admission appeal. The final decision as to whether the material changes warrant a fresh appeal will be determined by the Director of Adults & Childrens Services.

Withdrawal of an offer of a place

16. The Council may withdraw an offer of a school place where a parent fails to respond to an offer within a reasonable timescale or the place was offered on the basis of a fraudulent or intentionally misleading application or it has been offered in error.

Changes to the admission policy, number of available places and catchment areas

17. Where additional places or a school closure or amalgamation is proposed or implemented after the setting of these admission arrangements a change may be required to be made to the policy admission number or related catchment areas. Application will be made to alter the arrangements to the Office of the Schools Adjudicator where necessary.
