

Where in the World?

During this project we will be travelling around the 7 continents of the world. In school we will be learning about 5 of the Continents. For your home learning we would like you to find out about the 6th or 7th continent: North or South America!

You could create a booklet about what you find out and create pictures labelling them with words and captions. Or post what you find out on Tapestry.

Week 1

Can you find North or South America on a world map or a globe?

Week 2

Can you find out what food comes from North America or South America?

Week 3

Why do people travel to America?
What attractions are there?

Week 4

What famous landmarks are there in North or South America?

Week 5

What animals are found in North or South America?

Week 6

Get your costumes ready for our **Around the World party** on Thursday 27th March.
