

HOW CIVILISED

After completing in a race across the world and discovering the Acropolis, you are going to spend this half term becoming expert historians and learning about Ancient Greece.

As an expert in your chosen aspect of an Ancient Greece, you will be asked to be a guest speaker at Hill View's Ancient Civilisations History Convention. You will meet fellow historians (your parents) and share your knowledge with them.

Your home learning challenge is to produce a visual aid or an artefact to support your presentation at the History Convention. In class, you will have decided which aspect you will become an expert in, so you can decide which aid or artefact will be most helpful in your presentation.

Please bring in your completed home learning by **Monday 31st March.**

As a Historian, you will:

- research relevant aspects of Ancient Greece
- evaluate the sources and choose reliable ones
- demonstrate your understanding of your chosen culture by creating an artefact

You may be inspired by these ideas:

- Lego temple/building
- tasters of food
- costume from old clothing
- cardboard shield and sword
- Olympics model/diorama
- make-up demonstration
- clay pot
- drawings of house designs
