## Reach For The Stars.

### RECEPTION UPDATE

It has been a fantastic start to school life for Donaldson, Rosen and Carle classes. The children are becoming so independent in the mornings and are adjusting to life in our new Early Years Hub. At the start of November we had a visit from the Space Dome which was very exciting.

The children enjoyed looking at the night sky and learning about Neil Armstrong and the first moon landing.

On Friday we introduced our final project of the term- The First Christmas! We all gathered in the hall and unwrapped some very special presents- a nativity scene! It felt really magical.

After watching a video clip of a nativity show, we thought it would be a good idea to perform our own. Parents are in for a real treat as the children's singing is amazing! We can't wait to show you and we thank you in advance for providing the children's costumes.

### HEALTHY SCHOOL MEALS

We are proud of our 'healthy school status' and encourage the children to eat as healthily as possible!

Please include:

**Savoury** - a sandwich, wrap, pasta salad (please provide spoons/forks)

**Drink** - a carton/bottle of juice or water (no fizzy drinks)

**Fruit** - cut up if needed

We do not mind the children having a packet of crisps or a small biscuit/cake (eg penguin or small kitkat). No sweets are to be brought to school.

Please be aware that nuts and peanut butter are not permitted due to possible allergies of other children. This also includes chocolate spreads that contain nuts. E.g Nutella.
