YEAR 1 UPDATE

What an exciting start Year 1 had, when they discovered a time capsule in the school grounds. They used their detective skills as historians to link the objects to the Great Fire of London, which led to a series of questions we are looking forward to investigating. Well done, Year 1 for starting the New Year with energy and enthusiasm. We are looking forward to discovering more about the past and how it brings changes to the way we live today.

This unit will also involve diary writing and art work to display in our living museum. We hope a visit towards the end of this project will engage the children further and help them to learn how times have changed.

Thank you for your ongoing support,

The Year One team
