

Dear Parents/Carers,

Last night the Government announced that all schools are to close at the end of Friday 20th March and as such we will close until further notice.

We will be doing everything possible to help minimise the disruption to learning for all our pupils. We will ensure that learning can continue remotely and will be providing details on this shortly. This work and your child's progress will be monitored regularly by staff members from the school.

We anticipate more announcements shortly from the Government in respect of how entitled children can retain access to free school meals along with what school facilities are to be made available to children of key workers. We will provide further information to you as quickly as possible after these announcements are made.

These are unprecedented and challenging times but we are committed to your child's education through remote learning.

We appreciate this is a very difficult and worrying time for everyone, and we appreciate your support and patience as we work through all the details.

Yours sincerely

A handwritten signature in black ink, appearing to read 'V Buckland'.
