Newsletter No. 35 17.06.2020

WEEK 12

We are starting to put everything in place for next year, by allocating teachers to classes and by arranging transition information that will be forwarded to parents in due course. Due to this years unprecedented events, we are not going to regroup classes to enable them to have some continuity within their school life.

Parents and carers will be informed in July of who their child's teacher will be and will be sent the transition information for the upcoming year.

We appreciate that many of you are wanting to know what will happen next year with respect to returning to school in September. As soon as the Government release more information, then as a Trust we will be able to forward plan and subsequently let you know of all changes and organisational aspects for the start of the academic year. We fully appreciate your ongoing support with this matter.

REMINDER

Please can we remind all parents that children that are in school should be wearing appropriate footwear. They should have enclosed toes and should also be a shoe that they can put on themselves. If your child cannot tie laces, please can they wear alternative footwear. We need to maintain social distancing to keep children and staff safe. Many thanks.

*****PE BAGS*****

We reminded everyone last week that anything that has been left in school such as PE Bags, clothing and bags, must be collected from school by Friday 19th June (this Friday). While some people have collected things this week, we still have quite a few left here. They will be passed to the PTFA or put in the clothing bin on Friday of not collected. We need the school to be as clear as possible to enable us to complete deep cleans every day. If you are aware that friends may not see these messages, please prompt them to collect. Many thanks.

EDUCATION PSYCHOLOGIST

As part of the response to COVID-19, BCP Council EP Service are offering parents the opportunity to speak to an Educational Psychologist (EP) about their child during this time while nurseries and schools are partially open. Parents should fill in the form below and we will aim to contact you within 2 working days.

Educational Psychologists are professionals concerned with the development, learning and social and emotional well-being of children and young people. We are providing phone calls free of charge to BCP residents, to support parents with a joint problem-solving approach.

to you, happy birthday to.....

Zoey—YR

Leland—YR

Max—YR

Talula—Y1

Melanie—Y2

Hollie—Y3

Jamie—Y4

Lilly-Mae—Y4

Daisy—Y6

Mrs Ponchaud

Mrs Bick

Mrs Marriner

Happy birthday to you!

PTFA UPDATE

Please do not bring crisp packets into school, if you contact us on Facebook or Classlist to arrange how to get them to us.

We are planning to upload sizes and pictures of Pre Loved uniform to our facebook page, this is a huge job, so please be patient with us.

Unfortunately, we have had to postpone all of our upcoming events for the foreseeable future. We are currently in the process of refunding all of those who had paid for Chocolate Bingo.

Every year the PTFA purchase a dictionary for the Y6 children leaving Hill View. We are still doing this and we will let you know when they are ready to collect from school.

CREATIVE IDEAS—JUST FOR FUN

If you're hungry, why not try making.....

Sausage and Pepper Skewers

You will need: 1 packet of sausages (dependant on how many you are making dinner for)

Different colour peppers and 1 red onion. Plus some skewers.

Chop the raw sausages into 3.

Chop the peppers and onion into pieces approx. 1.5 inch square.

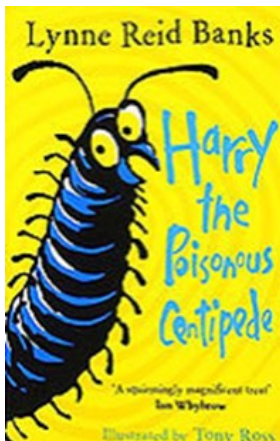

Thread the sausage, peppers and onion onto the skewers , then either cook in the oven or on the bbq until the sausage is fully cooked.

You could also use other vegetables, like mushrooms, tomatoes or courgettes, and if you like extra flavours, try brushing them with BBQ sauce!

Answers: Children's Joke: Because she will let it go! Teacher Joke: A clock Riddle answer: David

Harry The Poisonous Centipede – Lynne Reid Banks

Harry is a poisonous centipede but he's not very brave. Still, he is the star of this seriously squirmy story. Harry likes to eat things that wriggle and crackle, and things that are juicy and munchy! But there are some things that a poisonous centipede must never try to eat – dangerous things like flying swoopers, belly wrigglers, furry biters and the most dangerous of all... Hoo-Mins!
