## Reach For The Stars.

### HEADTEACHERS UPDATE

Welcome back! It is so wonderful to see the school full of children again after a very long 5 months. I hope you have all been well and continue to be so. A lot has changed since the end of school in March and I would like to reassure you that all precautions will be taken to keep your children, you and our staff safe.

Children have settled back to school extremely well and have embraced the new routines.

We have also had our new Reception children in this week, they have settled in well and it's lovely to see happy smiley faces throughout the Reception Hub.

Can I remind parents and guardians that if any child develops a cough, a temperature or loss of taste or smell, the recommendation is to call the NHS number 119 to obtain a COVID 19 test. Your whole household should isolate until either a negative test result is obtained or quarantine has been completed.

Once a negative result is obtained, please email it to [office@hillview.bournemouth.sch.uk](mailto:office@hillview.bournemouth.sch.uk) so that children can return to school as soon as possible. Please keep us updated.

Also, when leaving messages on the absence line, please state a reason the children are off. This helps us monitor illnesses throughout the school.

I would like to thank parents for all of their support and feedback during this first week and I wish you a relaxing weekend.

Victoria Buckland  
Head Teacher

### \*\*\*\*\*REVISED COLLECTION TIMES\*\*\*\*\*

The playground at the end of the day is very congested. To help alleviate this, we are going to have different collection times.

From Monday 14th September, children that have siblings in school or childminders that collect multiple children will need to collect at 3pm.

Parents collecting single children will collect at 3.15pm.

Children in Y5 & Y6 that walk home alone will be released at 3.20pm. This will ensure that the areas around school will be less busy offering easier social distancing.

### AWARD!

We have won an award! Hill View has been given a Safeguarding Initiative award by the Safeguarding Alliance in recognition for exceptional diligence during the Covid 19 pandemic, to keep children and young people safe.

### FREE SCHOOL MEALS

Did you know that if your joint income is below £16,190.00 per year you may be entitled to Free School Meals. In addition to this, you could also be eligible for a uniform grant. Please contact the office for more details.

Newsletter No. 1 11/09/20

### Coming Up...

### Attendance

Will be posted next week

## MORNING AND AFTER SCHOOL CLUB PAYMENT SCHEDULES

<u>ATTENDANCE WEEK</u>	<u>FINAL PAYMENT DATE</u>
Monday 28 September	Friday 11 September
Monday 5 October	Friday 18 September
Monday 12 October	Friday 2 October

## SOCIAL MEDIA

Please make sure that if your child has access to TIK TOK, they are supervised. There are some disturbing links on this at the moment that will affect children's mental wellbeing.

Online safety information from the SSCT - SafeToNet

The SafeToNet Foundation is providing one million free-for-life licenses of the SafeToNet mobile safety app for UK families in order to help keep the nation's children safe online.

The app uses artificial intelligence to safeguard children as they use their mobile device, while protecting privacy, by detecting threats such as bullying and sexting as they happen. Parents and carers can register their details through the GOV.UK online safety page

Further details can be found on the SafeToNet website

## HAND SANITISERS

Please do not send hand sanitisers into school with your children. We have plenty of soap and sanitiser in school and hand washing happens regularly throughout the school day.

## NUTS

Please remember we are a completely nut free school. This includes most chocolate spreads.

# Wizards

## Week Ending

**10/09/2020**

YR—All of them for being so positive and happy!
