Y6 UPDATE

It has been fantastic to see Year 6 return to school and settle so quickly, following expectations and aspiring to be the best they can. They are engaging in all learning, challenging themselves and demonstrating growth mind set. Using Cloud Busting by Malorie Blackman, they are exploring poetry to convey emotions and feelings and are busy creating their own poetry in a range of styles. We are looking forward to hearing their chosen poem from their home-learning task, which they are performing to an audience soon.. Well done Year 6! We are proud of you.

A special mention to Maisie in Year 6 for her commitment in wanting to improve the environment. She spent many hours over the summer dedicating time to cleaning different areas, wanting to make a difference. Thank you Maisie – we are lucky to have you as part of our school community.

FACE MASKS/SOCIAL DISTANCING

We would really appreciate and encourage parents/carers to wear face masks when dropping off and collecting children as social distancing is still proving difficult to keep to. As a school we wish to keep everyone safe in the current climate. Thank you for your continued support in this truly unprecedented time.
