Y5 UPDATE

In the first few weeks of term, it has been amazing to see Year 5 following expectations and setting themselves goals to achieve by the end of the school year, from achieving their smile badge to earning their yellow reward badges. With our new book, Rooftoppers, Year 5 have explored and developed their own character descriptions and used a variety of different lines to draw a self-portrait.

On Monday, Professor Plutonium, a scientist working at the University of Copenhagen, recorded a special message for Year 5. She has set the year group a challenge to investigate and test substances that can be recovered from solutions and mixture. I am sure Year 5 are up to the challenge!

THANK YOU

Thank you to all parents and carers for all of their support, and well done to all children who have settled in so well amid the current COVID 19 situation. The drop off and collection of children is flowing beautifully and therefore to give the children more learning time we would like to amend the collection times to 3.05pm for multiple children and 3.15pm for single children. Children in Y5 & Y6 who have permission to walk home alone will continue to be released at 3.20pm.

FACE MASKS/SOCIAL DISTANCING

We would really appreciate and encourage parents/carers to wear face masks when dropping off and collecting children as social distancing is still proving difficult to keep to. As a school we wish to keep everyone safe in the current climate. Thank you for your continued support in this truly unprecedented time.

NEW SPORTS COACH

We would like to welcome our new sports coach to Hill View. Mr Peter Zaremba is a Bournemouth University student and will be with us for one year. He will be teaching all children across the school within their PE Lessons.

*****FLU SPRAYS*****

This years flu sprays will take place on 12th & 13th October. Letters have been emailed to all parents and you will need to click on the link within the letter to opt in for the vaccination. Please click on the link to opt in or opt out. Y1 Kusama class is not on the drop down list of classes, please select Lowry class instead. This is due to a class name change after the information was sent to the NHS.

FREE SCHOOL MEALS

Did you know that if your joint income is below £16,190.00 per year you may be entitled to Free School Meals. In addition to this, you could also be eligible for a uniform grant. Please contact the office for more details.

NUTS

Please remember we are a completely nut free school. This includes most chocolate spreads.

HAND SANITISERS

Please do not send hand sanitisers into school with your children. We have plenty of soap and sanitiser in school and hand washing happens regularly throughout the school day.

MILK BOTTLE TOPS

A new bin for milk bottle tops will be placed at the gate on entry to the playground. Please place the bottle tops in the bin loose, not in bags. This will enable us to quarantine them for 72 hrs before donating them. We will be donating them to the New Forest Mencap Charity. Many thanks.

Reading Focus

A gentle tale of three baby owls reassures young children that Mummy will always come home. Three baby owls, Sarah, Percy and Bill, wake up one night in their hole in a tree to find that their mother has gone. So they sit on a branch and wait... Darkness gathers and the owls grow anxious, wondering when their mother will return.
