

Dear Parents / Carers

As you know from our conversation with you at drop off this morning, one of our teachers has a confirmed case of Covid. The teacher had not been in school for the last week as they were already self-isolating. We have now heard from Public Health England and they have confirmed that given the teacher has not been in school for that period of time, that it is safe for children to be in school. The safety of our pupils and staff will always be our number one priority, but I hope this provides you with some reassurance.

For those who decided to have their child at home today, we look forward to welcoming you back on Monday.

Yours sincerely,
