

Dear Parents/Carers/Visitors

We are keeping our policies and risk assessments under constant review, to respond to any national or local changes. It is clear that the number of infections beyond school are rising, hence I would like us to take an additional step beyond that of DfE / PHE requirements for PPE in school.

Please can all parents/ guardians and adult visitors wear a face covering whilst in school or on the school grounds. Face coverings do not need to be worn by anyone with a medical condition that would be adversely affected by the wearing of a face covering.

The wearing of a face covering does not reduce the need to maintain social distancing, which remains essential.

Should you have any queries, please do not hesitate to contact me.

Yours sincerely
