YEAR 4 UPDATE

Wow, what a week in Year 4! From planning our own version of the ending for the Iron Man to collating boxes for our junk modelling, the pupils of the year group have been hard at work.

We have covered fronted adverbials in writing and negative numbers in maths. The teachers are incredibly proud of the pupils, their learning efforts and the upward trend we have seen in their desire to learn.

When asked about their learning, some pupils have told us that, "My favourite things have been doing art and design to create our Iron Men" and "Seeing old friends that I haven't seen for a while". All of this demonstrates how ready the pupils of Y4 are for the next phase and steps in their learning. The teaching staff cannot wait to see what happens next and are sure it will be a positive experience for all.

FACE MASKS/SOCIAL DISTANCING

We would really appreciate and encourage parents/carers to wear face masks when dropping off and collecting children as social distancing is still proving difficult to keep to. As a school we wish to keep everyone safe in the current climate. Thank you for your continued support in this truly unprecedented time.

TEST RESULTS

If your child or family member has had to be tested, when sending in the results to the school office (office@hillview.bournemouth.sch.uk), please include the information of

- What symptoms were experienced?
- When did the symptoms start?
- Date of test?
- Date test result received?

Please send us the results as soon as possible, so that we can take the appropriate precautions necessary to keep all of our community safe.

The office inbox will be monitored at the weekend for Covid results.

Any concerns, please contact the school office on 01202 514109.

Thank you very much for your ongoing support during this time.

THANK YOU

Thank you to all of the parents in YR, Y1 and Y2 for ordering a school meal on 1st October 2020. This will help our funding within school greatly.

*****FLU SPRAYS*****

This years flu sprays will take place on 12th & 13th October. Letters have been emailed to all parents and you will need to click on the link within the letter to opt in for the vaccination. Please click on the link to opt in or opt out. Y1 Kusama class is not on the drop down list of classes, please select Lowry class instead. This is due to a class name change after the information was sent to the NHS.

FREE SCHOOL MEALS

Did you know that if your joint income is below £16,190.00 per year you may be entitled to Free School Meals. In addition to this, you could also be eligible for a uniform grant. Please contact the office for more details.

MILK BOTTLE TOPS

A new bin for milk bottle tops will be placed at the gate on entry to the playground. Please place the bottle tops in the bin loose, not in bags. This will enable us to quarantine them for 72 hrs before donating them. We will be donating them to the New Forest Mencap Charity. Many thanks.
