## **Temporary Packed Lunch Service at Hill View Primary Academy** **November 2020**

Dear Parent/Carer.

The lunch time packed lunch offer provided by Chartwells for Hill View Primary Academy is nutritionally compliant and meets with the School Food Standards which is a mandatory requirement for all maintained schools.

The menus are produced using feedback received from children and schools, we like to introduce new flavours and ingredients but also recognise that traditional, familiar sandwich/wrap fillings need to appear regularly, especially for younger children.

Three options are available daily, to include the Main option (usually meat filling), Vegetarian option and Gluten Free option which accompanies a crudité, dessert and a piece of fruit. Our dessert items never include any confectionary and we introduce fruit as much as possible (with two desserts per week including 50% fruit). Fresh fruit is always provided at every meal. Importantly, we strive to ensure all desserts are in line with public health sugar targets and challenge our suppliers to reformulate and reduce sugar as far as possible. We also never include any additives with known negative effects, such as the Southampton 6 series of food colourings. In line with the Change4Life guidance, we opt for reduced sugar yoghurts to support general and dental health.

Attached to this letter is the new menu running from the 2<sup>nd</sup> November. You can visit the meal ordering website to view the options and supported allergen reports, please find the meal ordering link below:

[www.dorsetmealselector](http://www.dorsetmealselector)

Please note that all children in Reception, Year 1 and Year 2 are automatically entitled to free school meals and children in Year 3 and above may also be entitled if parents are in receipt of financial support.

On average the saving of switching to school meals is approximately £400 per year.

Thank you  
Chartwells Team
