Reach For The Stars.

YEAR 5 UPDATE

In Year 5, we have started a new project called 'Last seat, Last row' which is based around the book There's a Boy in the Girls' Bathroom. We have been learning about the different types of bullying and how to solve these issues. With their improving emotional intelligence, the children are encouraged to name their feelings, talk about these in an open way and recognise how these feelings can affect their friendships, relationships and learning.

Next week, the year group will be busy preparing a class assembly discussing the different types of bullying and how to deal with this. The outcome will be shared within school and I am sure the children are looking forward to recording their class assemblies.

Miss Roots—Y5 Lead

CHRISTMAS CARDS & DECORATIONS

We will start putting up some decorations in school soon to get us all in the Christmas mood. All decorations will be in bubbles to limit touching and cross contamination.

Children are permitted to bring in Christmas cards, but please limit the cards to your children's year group bubble and teachers.

To limit bubbles crossing, children cannot bring cards in for other year groups please.

Thank you for your co operation in this matter.

REMOTE LEARNING

Please be reminded that remote learning will only be supplied for children that are having to self-isolate. If children are too unwell to come to school, they should be resting and recovering until they are well enough to return.

HEADLICE

We ask that you all regularly check your childrens hair for headlice and treat if needed. It is important to catch it earlier as it is much easier to treat, especially for our any children with longer hair. Please be reminded that anyone with long hair, it must be securely tied up at all times.

Monday 14 December	Friday 27 November
Monday 4 January	Friday 18 December
Monday 11 January	Friday 25 December
Monday 18 January	Friday 1 January

ATTENDANCE

We are in the process of updating our attendance policy and we will be sharing this with you shortly. We would like to remind parents of the importance that their child attends school everyday that they are able.

If you would like to discuss matters regarding your child's attendance please contact the school and ask to speak to Mr Winthorpe.

Goodbye homelearning@ - hello remote@

Last year we introduced an email address for parents/ carers called homelearning. We have changed this email address to a new email address: **remote@hillview.bournemouth.sch.uk**.

If your child is learning remotely or you need to contact the school remotely and out of hours please use this new email address. At other times and for other needs, please use the office email address.

PARKING

Please can we remind ALL parents & carers, that you must not park illegally around school. We are receiving multiple complaints from neighbours and concerned parents regarding the dangerous parking on corners of roads opposite the school and neighbouring roads. Pictures of dangerous parking have been sent to the council by numerous people and they will be following it up. Double yellow lines and zig zags around crossings are there for a reason and you must not park on them. We suggest you arrive earlier or park further away to ensure safety. Many thanks.

Reading Focus

The Dragonsitter – Josh Lacey

'Dear Uncle Morton. You'd better get on a plane right now and come back here. Your dragon has eaten Jemima.'

It had sounded so easy: Edward was going to look after Uncle Morton's unusual pet for a week while he went on holiday. But soon the fridge is empty, the curtains are blazing, and the postman is fleeing down the garden path.

★ **Wizards** ★ **Week Ending**

27/11/2020

YR—Have been concentrating their hook this week, Wizards will resume next week.
