

Hill View Primary School

Reach For The Stars.

YEAR 6 UPDATE

In Year 6, the pupils are continuing to impress us with their excellent attitude to learning and quality of work. Over the last few weeks we have been looking at additional roles within our school community and the pupils have had the opportunity to apply for these. We have many enthusiastic pupils who applied for the prestigious role of an Ambassador. There were many brilliant applications, filled with great creativity and detailed reasons as to why they would be the perfect candidate. The role of the Ambassador is to set the highest standards as role models for other pupils in all aspects of school life, including our school values. In addition, by representing the school community and the Head Teacher, they show visitors and the wider community the very best that Hill View can be. You will be able to spot our wonderful ambassadors in their new, exclusive golden ties and I'm sure you will join me in congratulating them on receiving their posts.

There were also many pupils who chose roles equally vital to supporting our school community through their various roles of Site Apprentice, Sports Ambassadors, Sports Leaders, Librarians and Office Managers. We would like to congratulate all of the pupils who applied and will continue to contribute and support others within Hill View.

One of our Ambassador applications captures the values of our school, received in the form of an acrostic poem, which we feel deserves a special recognition. Well done James!

A – Aspiring to be the best I can be

M – Manners are one of the most important things to me

B – Behaviour should be excellent around the school

A – Always trying our best for one and all

S – School is a place I feel proud all day long

S – Showing other children right from wrong

A – ASCENT are the values we follow each day

D – Demonstrating to others the Hill View way

O – Opportunities to shine & Reach for the Stars!

R – Role models to show us that the future is ours

ATTENDANCE

We are in the process of updating our attendance policy and we will be sharing this with you shortly. We would like to remind parents of the importance that their child attends school everyday that they are able.

If you would like to discuss matters regarding your child's attendance please contact the school and ask to speak to Mr Winthorpe.

Goodbye homelearning@ - hello remote@

Last year we introduced an email address for parents/ carers called homelearning. We have changed this email address to a new email address: **remote@hillview.bournemouth.sch.uk**.

If your child is learning remotely or you need to contact the school remotely and out of hours please use this new email address. At other times and for other needs, please use the office email address.

LOST PROPERTY

Any one who has lost any property within school needs to check the Lost Property box in the school office by **Friday 20th November**.

On Friday 20th November, the boxes will be cleared and you will no longer be able to claim the property. There is a lot in there at the moment!

PARKING

Please can we remind ALL parents & carers, that you must not park illegally around school. We are receiving multiple complaints from neighbours and concerned parents regarding the dangerous parking on corners of roads opposite the school and neighbouring roads. Pictures of dangerous parking have been sent to the council by numerous people and they will be following it up. Double yellow lines and zig zags around crossings are there for a reason and you must not park on them. We suggest you arrive earlier or park further away to ensure safety. Many thanks.

Reading Focus

Stick Man – Julia Donaldson

"Stick Man lives in the family tree with his Stick Lady Love and their stick children three." But it's dangerous being a Stick Man. A dog wants to play with him, a swan builds her nest with him. He even ends up on a fire! Will he ever get back to the family tree?
