

Books Glorious Books.

5 weeks

Rationale

Libraries are sometimes seen as stuffy, super quiet places with endless rows of books where librarians worry about their precious collections rather than the joy of reading! Not everybody likes going to the library, but what if everyone could fall in love with books and libraries? We are going to promote the joy of reading to the children. They will see how great books are, how many different genres are available to lose themselves in and will use them in a number of different ways. The children will develop their creativity through creating quizzes, challenges, book reviews and storytelling sessions.

<p>Hook Story teller to tell stories to the children.</p>	<p>Outcome The children will lead a Reading Road Show to promote reading throughout EYFS and KS1 enabling them to access the school library and share 'I love reading' boxes which will be left in each classroom they visit.</p>
--	--

<p>Creativity</p> <ul style="list-style-type: none"> • Freely generate ideas through making connections and exploring a range of possibilities. • Willingly work on one idea to extend, elaborate and develop it. • Risk being different and feel comfortable that there may be no right or wrong unanswered. 	<p>Thinking</p> <ul style="list-style-type: none"> • Process a variety of information using a range of organising tools. • Generate and use criteria to evaluate and judge the quality of their learning and achievement.

Application Subject - DT

Box for 'Love of Reading' pack for outcome.

Home Learning

Children will create a 'Love of Reading pack' to share with children in Reception, year 1 and 2 at the end of project. The children will need to create a variety of motivational items to encourage other children to read a variety of books. This could be a reward chart, bookmark, a selection of reviews, reading diary etc.
