Y4 UPDATE

What a term we have had so far! We have had our chicks in to look after and watch how they grow! "They were fun to play with!" Brooke. B "They were so cute and fluffy!" Monty. E. We then used what we learnt about the chicks to write a care guide for them. We have also spent this week applying our knowledge to write a guide to look after an animal of our choice.

In SCARF, we have learned what collaboration is and how everyone can work together to make things better. This was also clear from our learning in reading about Hotel Flamingo, where the reason they are successful is that everyone works for a common goal.

We launched our Times Tables Rockstars platform this week. Pupils have been using this in great numbers and we have already seen improvements in confidence and accuracy. Please encourage your children to use this platform, their log in details are in their Reading Records.

We look forward to everything the pupils will achieve this term.

Many thanks for all your support,

Mr McMullen—Y4 Lead
