

Hill View Whole School Integrated Curriculum – Curriculum Map.

This document shows the broad projects and themes for the Integrated Curriculum at Hill View.

There are documents elsewhere that detail how the curriculum is structured to weave together our ASCENT values with our coverage of the National Curriculum and our HV Learning Values.

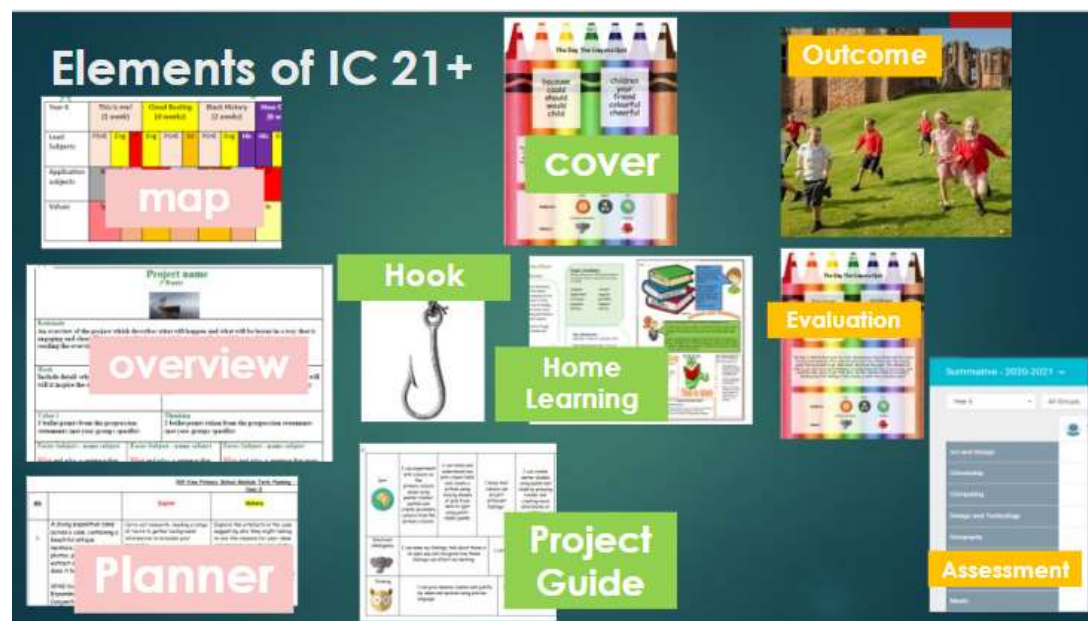

ASCENT Values & values Aspire, Success, Community, Excellence, Nurture, Trust / British Values		
Through the Integrated Curriculum Projects		National Curriculum subjects mainly discrete:
National Curriculum subjects <ul style="list-style-type: none"> Oracy, Reading & Writing- English; Science; Maths Geography; History; DT; Art; IT, Music, PSHE & BV. 	HV Learning values <ul style="list-style-type: none"> Thinking; Emotional Intelligence; Spirituality Independence Collaboration Creativity <p>Two of these learning values underpin each project and bind the learning together across elements of the National Curriculum content taught.</p>	<ul style="list-style-type: none"> RWI, Maths; Computing; Music MFL; PSHE; PE; RE. <p>These subject elements are taught discretely but feed into and are drawn upon and linked into, where appropriate, the Integrated Curriculum Projects or learning within the project.</p>
Outcomes IC & subject books, Performance, Parental visits and viewings	Character and disposition Mindset & Resilience	Lifelong learning behaviours and habits

Subjects in the curriculum have been mapped so that substantive and disciplinary knowledge and skills are cumulative and feed into and are built upon in subsequent projects.

Each project is composed of the following elements:

- Intent: Map, Overview sheet, Project guide & Cover
- Implementation: Planner, Hook & Home learning- often trips and visits.
- Impact: Outcome, Evaluation and Assessment

Parents and carers are often invited in to view outcomes and often provide an authentic audience and purpose for the learning.
