## Reach For The Stars!

Dear Parents and Carers,

It's that time of year where Summer is upon us and we are looking back at all of the amazing achievements of the children, with regards to learning and socially and emotionally. There have been so many successful trips and outcomes and we are extremely proud of the way they have all conducted themselves this year.

It's hard to believe that the Pandemic ever happened as the children became so settled and eager to learn new things again.

It has been fantastic to have you all back in school once again and to be able share these wonderful moments with you.

I wish you all a fantastic Summer spending time with your families and experiencing new things. We look forward to seeing you once again on Monday 5th September at the start of another exciting school year.

We would like to thank and wish all of our leaving staff the very best for the future.

Thank you for all of your continued support which enables the school to be so special.

Miss Buckland  
Headteacher
