## Reach For The Stars.

Dear Parents and Carers

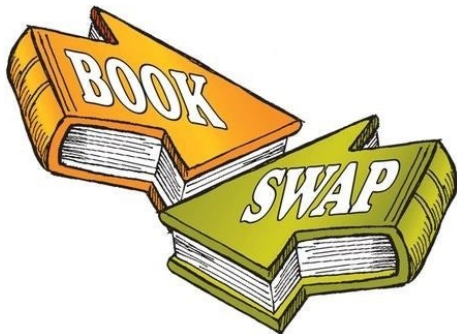

This half term has been non-stop for the children in Year 1. Our Gruffalo project began with the beast himself delivering his book to our class-rooms. We then became scientists with a particular focus on animals. We went on a woodland walk (hoping we might spot the Gruffalo) naming common animals and since then we have also learnt the names of their body parts. We have also been doing field work using our Geography skills to create our own map of the school highlighting the human and physical features. Next week we are for our final walk in the wood where we will share our innovated stories with each other and fingers crossed the Gruffalo will come and listen too!

### Book Swap on Monday 17th October

Monday is Book Swap day,. Please can you child/ children bring in a book, that they no longer want or have finished reading. They will then be able to swap it for another book to take home and enjoy.

Can we politely ask that books are in a good condition and age-appropriate . so that they can be passed on to a new owner and that the book your child brings in is age-appropriate for their year group.

After months of bombing raids in London, twelve-year-old Olive Bradshaw and her little brother Cliff are evacuated to the Devon coast. The only person with two spare beds is Mr Ephraim, the local lighthouse keeper. But he's not used to company and he certainly doesn't want any evacuees. Desperate to be helpful, Olive becomes his post-girl, carrying secret messages (as she likes to think of the letters) to the villagers. But Olive has a secret of her own.
