## Reach For The Stars.

Dear Parents and Carers

EYFS have settled into school amazingly and are already established into their routines. They are coming into school happily in the mornings and independently starting their morning jobs. They have been learning some of the sounds and numbers and have enjoyed meeting 'Fred' and 'ERIC' who help them with their reading. We have been exploring all the classrooms and are enjoying making new friends. We have also been lucky enough to be visited by Harold and the Life Bus and learn a little bit more about our bodies.

EYFS have been learning all about '**Rocking Rhymes**' and performance poetry. The children have been learning lots of the familiar rhymes to perform to their parents on 12<sup>th</sup> October. The children have also been working hard at home and have produced a whole array of amazing home learning to go with this project including lots of puppet and pictures. We loved seeing this work and have displayed it in all of our classrooms.

### European Day Of Languages 2022

This Tuesday we were lucky enough to have some fabulous bilingual parents coming into school to help us to celebrate the world of languages around us. The children were lucky enough to hear tongue twisters, stories and traditional songs in Hungarian, Spanish, French, Swedish, Russian, Turkish and Polish. We are so grateful to them all for coming and sharing a taster of their language and culture with us. The children really loved your input. Thank you so much for your time.

### Hill View Match Report

It was a pleasure to take the year six boys to a competitive tournament this week. After losing their opening match, it was good to see the team respond brilliantly to this disappointment and they managed to complete the next five fixtures without losing a game, including one terrific performance in which they finished the victors by 5 goals to 1. Overall, Hill View finished a very credible 6<sup>th</sup> place out of 21 teams. It should also be noted that our school values of collaboration and respect were very much on display which was pleasing to see.

### PARKING

Concerns have been raised over vehicles being parked illegally and of some inconsiderate drivers. The school are constantly in communication with BCP Council to raise this issue and to request wardens to patrol to help rectify this matter.

As you are aware we have no jurisdiction outside the school gates, and we are reliant on parents and other road users to be considerate to the school environment.

We would really appreciate if you would join us in contacting BCP as the more voices that raise this issue then the more likely we will be heard.

Thank you fall for your continued support and assistance in this matter as I am sure you will all agree that the children's safety is our priority as well as all the adults..

**Apologies these items were missed from last week newsletter**

Mrs Edwards is also running the Marathon with Mrs Burton

A parent, Mrs Elias is also busy raising funds for Ronald McDonald

In support of the Ronald McDonald House Charities, I will be running the Inflatable 5K in Ringwood this Saturday 24th September. When our daughter became very poorly over the summer holidays and was transferred to the Paediatric Nephrology unit at Southampton General Hospital, my husband and I were incredibly thankful to receive free accommodation at the Ronnie Mac house during the entirety of her stay.

Please support other families like us by sponsoring me through my Just Giving page (<https://www.justgiving.com/fundraising/nathalie-elias>). Any amount is most welcome and will provide another family with home away from home at one of the hardest times of their lives. Thank you, merci. Mrs Elias

Thank you
