Reach For The Stars.

Dear Parents and Carers

Year 5 Trip to Winchester ScienceCentre.

What a brilliant day we had! In the rocket ship play area there was a voice box that can change your voice from normal pitch to low or high pitch. Lots of people would agree the planetarium was great as we flew through space and visited planets! We had an eventful time being able to go explore the upstairs and downstairs and playing with all the experiments! I loved the workshop because we got to make slime with different states of matter. It was the best trip ever!

Year 5 went to the Winchester Science Centre on Friday. All classes separated and Cassidy went into the workshop. In the workshop, we learnt about the states of matter and created two different types of slime. The first was stretchy and the other was bouncy. They were both between two different states of matter, liquid and solid.

Cassidy then went into the play area and were allowed to explore and have fun in the upstairs part of the museum with the rest of year 5. We were able to have some independence and have lots of fun which made everyone happy. There was one machine that could change your voice high and low. It was very fun to see how a tennis ball flew up in the air after a giant ball was dropped, creating pressure and causing the tennis ball to fly.

Then Year 5 stopped and quickly ate their lunch. After we ate, we went downstairs and were able to explore as well. There was a space area which had a strange room that felt both little and big depending on how you looked at it. There was also the planetarium where we sat in seats in a giant dome and it made us feel as if we were floating. We learnt about lots of different constellations such as the big dipper. We then learnt facts about all of the planet, like Neptune rains diamonds!

Overall, the trip was very exciting and I hope everyone enjoyed it like we did.

Please can parents and carers not walk into the school to drop children off in the morning and please do not remain on the school playground at the end of the day. If parents wish to discuss a matter with their child's teacher please could they make an appointment through the school office. Thank you

Dear Parents and Carers

Can I take this opportunity to wish you all a good half term and I look forward to seeing the children back in school on Monday 31st October 2022.

In the new term we have a few new members of staff starting which I am sure you will warmly welcome. The school has appointed Mr M Berry and he will be teaching Year 5 Art and Design class and the children have met him this week. I would like to thank Mr T Chesters for all his hard work this half term and he will be here on parents evening. Ms C Ellis will be joining Hill View as the new SENDCo. On Tuesday 1st November, along with Miss C Butler –Boyness who will be the computer teacher. In addition the school have also been able to secure Miss A White and Mr T Clarke from the supply agency to continue teaching permanently at Hill View Primary.

Just a reminder to book your child's parents evening which is on Tuesday 1st and Thursday 3rd November. To access the booking system please go to :-

<https://www.parents-booking.co.uk/login.jsp>

This is a 10 minute appointment to discuss your child's progress, if you wish to discuss anything else please make an appointment to see the class teacher at another time.

On Wednesday 2nd and Thursday 3rd November we have the pleasure of Mr Paul Geraghty and author and illustrator visiting the school. There will be an opportunity for you to meet him, purchase one of his books and even ask him to sign it on Wednesday 2nd November from 3.30pm. Please come through the main office for this.

Thank you for your continued support .

The Selfish Crocodile – Faustin Charles & Mike Terry

Every morning a very large and very snappy crocodile shouts this selfish message: 'Stay away from my river! It's MY river! If you come in my river, I'll eat you all!' The animals in the forest don't know what to do. They are frightened of the crocodile. Even the fish, tadpoles, frogs, crabs and crayfish stay out of the water. Until one day, the creatures are woken by a loud groaning sound which turns out to be the selfish crocodile in a lot of pain, and the smallest of them all, a little mouse, finds a way to solve their snappy dilemma!
