

# Hill View Primary School

## Reach For The Stars.

Dear Parents and Carers

In the last half term, Year 6 became budding scientists in our Mr Nobody project. The children enjoyed learning about Charles Darwin and his theory of evolution and adaptation. We have also just finished reading David Almond's novel – Skellig and this resulted in some fantastic vocabulary in their narrative writing.

At the end of last term, Year 6 went to Fort Purbrook, in Portsmouth. The children all took part in a range of activities: climbing, rifle shooting, archery, assault courses, laser tag and bushcraft. All the staff from Hill View and Fort Purbrook were impressed with the

children's behaviour, willingness to try new activities and get muddy! Year 6 enjoyed the residential and there will be many photos added to the school website in the next few weeks.

The children who were at school enjoyed a range of activities: street dance, team building challenges and designing and making pizzas. They enjoyed tasting their new creations too.

Dear Parents/Carers

We very much hope your child has a happy time over Fireworks night, to make sure everyone is safe please follow the advice below:

- Be very careful near candles, especially if your child is wearing dressing up clothes.
- Keep matches, lighters and fireworks out of the reach of children
- Keep children well back from bonfires and fireworks
- If using sparklers; make sure gloves are worn, children are supervised and you have somewhere safe to put used sparklers such as a bucket of sand or water
- The fire and rescue service advise going to a public firework display
- If clothes catch fire remember stop, drop and roll
- If someone is burnt remember cool (with cool water for at least 20 minutes) cover (with clingfilm to keep clean) and call for help as needed

If fire gets out of control, call 999 and ask for the fire and rescue service. Do not try to tackle the fire yourself.

#### Reading Focus

#### The Hedgehog – Dick King-Smith

Max is a hedgehog who lives with his family in a nice little home, but it's on the wrong side of the road from the Park where there's a beautiful lily pond and plenty of juicy slugs, worms and snails! The busy road is dangerous but Max is determined to make his way across. If humans can do it, why can't hedgehogs? His first attempt ends in a nasty bump on the head and, when Max tries to speak, he realises his words are all mixed up. He is no longer a hedgehog but a hedgehog!
