Year 3 Update

CAVEMAN CHAOS!

Year 3 started this half term with a mysterious Caveman break in! The children became journalists as they interviewed witnesses and wrote their very own newspaper reports to record the strange events.

Inspired by this, the children have become Historians to investigate what life was like in the Stone Age. As artists the children will be creating cubist style portraits of a caveman and as performers they are being immersed in the world of Stone Age themed dance!

Everyone has worked really hard this half term, well done!

SAFEGUARDING

'For Christmas many children received gaming devices, passes and software. Amongst the most popular games is Fortnite. Whilst it is rated as PEGI 12 we know many children will have access to it under that age and the peer pressure to play is immense. Even if they are not allowed to play at home they may access it at friend's houses.

As a result, more children than ever are exposed to multi-player chatting with strangers, and financial exploitation via the game's spend-to-gain-advantage operating style. Allowing children to use real world money to gain perks and costumes. From criminal blackmailing, to the coercion of nude exchanges by online 'friends' posing as children, the danger this game presents from a safeguarding perspective is clear. As an added complication, the language surrounding the game used by children is near-incomprehensible making it difficult to secure their safety.

Fortunately to allow for greater comprehension of reports to staff involving the game, Internetmatters.org has published a guide to understanding the game and its terms. You can find the link below:

Medication

Non Prescribed Medication should not be coming into the school building. Please do not let your child bring in lip balms, nose or throat sprays and cough sweets. This also applies to hand creams and body lotions. The school is not able to facility these as there are children in school with various allergies and these items, especially if shared with other children in the class can have serious consequences. If your child has particularly sore lips or hands please speak to the class teacher about this.

Thank you

Pupil Absence

Please call the school office on 01202514109 if your child is going to be absent from school or please send an email to office@hillview.bournemouth.sch.uk

If leaving a message or sending an email please give the following information:-

Child's name, Class/Year Group

Reason for Absence—e.g. high temperature, sore throat, sickness etc and if you are taking them to the GP then please give this information too.

Thank you

Road Safety for drop of and collection

Please be mindful of safety on the roads when dropping off and collection children.

Vehicles must be parked appropriately in the correct places, not on zig zag lines, chevrons, pavements or blocking driveways.

If children are being let out of the car to walk themselves into school, please ensure this is by a safe place for them to cross the road if needed.

Year 5 and 6 pupils that walk into school by themselves, please can parents remind them not to weave in and out, especially not to go onto the road.

Please use the zebra crossings and the crossing patroller to cross the roads, roads are busy at this time of day.

Reading Focus

Suddenly – Colin McNaughton

A little pig is walking down the street, unaware of the hungry wolf waiting around the corner, when **SUDDENLY** the pig remembers he has left something behind and turns away at the last second, leaving the wolf to fall flat on his face. The wolf pursues the little pig throughout the day, but each time, quite unaware, the pig evades him until in the end the wolf gets his come-uppance in an unexpected and hilarious way.
