Reach For The Stars.

Year 4 Update

The brilliance of our year 4 pupils is astounding. From shield designs for their home-learning to story writing and pizzas in school, they have done us proud.

We began this term investigating different artefacts from across the Ancient Roman world and concluded by looking at all the aspects of the legacy they left behind including aspects that we still use today.

One crowning moment has been the stories written from the perspective of a Roman soldier experiencing for the first time, "the fearless blue painted warriors." The choices pupils made were brilliant and really told the story of what life could have been like as a Roman soldier combining both their writing skills and their knowledge gained through their history lesson.

The Hairy Bikers, Jamie Oliver and anyone who chefs, please step aside for the incredible creations that our pupils made for their pizzas. The designs were clear and precise, the outcomes may have differed from the original ideas but almost every single one was unique. From the size, to the combination of ingredients and the outcome of taste- these children have got the bug for the kitchen. What a sublime series of outcomes year 4- you have made your teachers proud.

Part time Term Time Only Role with our meals provider (Forerunner)

Forerunner are looking for someone to help fill a maternity leave role for at least a year and it may well turn into a full time role by then.

We need someone to work in our kitchens on a part time basis 8am to 1pm Monday to Thursday and 8am to 2pm on a Friday.

You will be involved in assisting our chefs in preparing the food for our schools. It includes all types of general kitchen duties and you will need to be physically capable. Most importantly, you will be part of a hardworking team in a tight environment and need to be able to work very much as part of a team.

We are very much a family focussed friendly place to work and are looking for the right person to join us.

If you are interested please e-mail meals@hotmealsonwheels.com

Respectful Reminder for parents and carers:

The whole school site is a non-smoking zone

Please do not smoke or vape on any part of the site - including the tunnel into school

Scooters, bikes and wheeled toys

Please ensure that ANY scooters, bicycles or wheeled toys brought into school are pushed and not ridden when entering or leaving the school premises. This is to avoid anyone getting knocked over, particularly small children and more vulnerable adults who are also dropping off or collecting children.

If your child is leaving their bike or scooter in school, this must be padlocked up to the mushrooms by the shelter in the large playground, or in the bike shelter in the small playground.

Man Hunt and Team It Games

Man Hunt and Team It Games are not allowed at school. The reason these type of games are banned is due to the nature of them. They result in children becoming a large group against very few individuals and often just one person against the rest of the team. This has resulted in extremely unkind behaviours and children 'ganging up' on others and sometimes has caused the game to become aggressive in nature with children getting hurt. We encourage the use of kind hands and feet at Hill View, and these games do not support the messages we are giving to children at school.

Reading Focus

Journey to Jo'burg – Beverley Naidoo

This is the story of love, commitment and the flowering of the human spirit against the background of South Africa's apartheid. Frightened that their baby sister Dineo will die, thirteen-year-old Naledi and her younger brother Tiro run away from their grandmother to Johannesburg to find their mother, who works there as a maid. Their journey illustrates at every turn the grim realities of apartheid - the pass laws, bantustans, racism, the breakdown of family life. The opulence of the white "Madam's" house contrasts starkly with the reality that Naledi and Tiro face - that their baby sister is suffering from starvation, not an incurable disease.
