## Reach For The Stars

### Year 5 update

This term, we have been travelling enthusiastically around the world and landed in America. In our project, 'Tour Guides wanted', we have started to learn all about the size and location of both North and South America and key locations within these two continents.

As keen Geographers, the year group became tour guides and started to research a range of different sources to find the best tourist attractions to recommend along the famous Route 66. They all used their best persuasive techniques to persuade tourists to come and enjoy their 5-day tour of America. The final published brochures are amazing and presented to a brilliant standard. They are currently on display in our Year 5 corridor but look out for them appearing in the front entrance at school soon.

We continue to motivate the children to try one of our recommended reads and it is wonderful to see children beginning to be awarded the reading certificates. There are always TT-Rockstar Battles set and there has been an increase in numbers competing in these too. Keep up this fantastic approach to your learning Year 5!

Bailey arrives in a new neighbourhood with his extraordinary family. He has no friends but receives a mysterious invitation to join the Scribbleboy Fan Club. The one and only founder member is Ziggy Fuzz.
