Reach For The Stars

SLT Update

It is lovely to welcome you all back to the start of the summer term. I hope you all enjoyed the Easter break and found time to relax and unwind!

As you are aware you will have received your child's report before the break and I am sure you were as impressed as we were at how much progress the children have made and how much they have learnt, they have really worked hard this year so far. If you have any concerns regarding the reports do please speak to your child's teacher.

We have a very busy half term ahead with both Year 2 and Year 6 SATs, the Year 4 Multiplication Test Check as well as the many varied activities happening across the school. This week saw the start of these with the Year 4 Living Rainforest visit and the PTFA Bounce-athon where both children and staff had the opportunity to spend time on the bouncy castle not only having fun but raising funds for the PTFA.

I would like to also take this opportunity to extend a thank you to all parents who continue to support the school in a variety of ways from donations to supporting school trips and offering kind words of thanks to the staff – all is much appreciated.

STEM Experience at Parkfield School

On Tuesday this week, 20 lucky Year 5 pupils had a fantastic opportunity to visit Parkfield School for an exciting aeronautical experience. Manson J has written a short report from the trip:

"Once we arrived at Parkfield School, we got onto one of the airport buses and drove down the runway at Bournemouth Airport to the plane. It was no ordinary plane as it was a flying laboratory. The plane was from Cranfield University and its registration number was G-NFLB.

There were twenty of us who visited and we were split into two groups. The first group went inside the plane and learnt how the pilots fly the plane. We even got to sit in the cockpit, where the pilots sit. The other group were outside of the plane on the runway, as they were learning about all of the parts on the outside of the plane that make it work. After 15 minutes each group swapped over.

Two facts that I learnt were:

I learnt that the plane can fly on only one engine even though it has two.

The plane has thick armour around the engine so that nothing can damage the outside of the plane. "

Library Books

Please check at home for any school library books as there are currently a number of books missing/not returned. They will have the Hill View stamp on the inside cover.

Warmer Weather

With the warmer weather hopefully on it's way, please remember to send children to school with a named water bottle filled with plain water only.

Please also ensure that jumpers and cardigans are clearly named so that any lost items can be promptly returned to their owner

Good luck Message

We would like to wish Paul Thrift- Dad of Harry and Chloe good luck on Sunday as he is running the London Marathon for children with cancer. Good luck!

Scooters/bicycles/skateboards

If your child comes to school on a scooter, bicycle or skateboard and you wish to leave it here during the day, please ensure that it is secured with a lock. Any unlocked items will be removed from the playground and kept in the office to prevent children from taking and using them at break times.

Thank you

Reading Focus

The Dream Snatcher – Abi Elphinstone

Twelve-year-old **Moll Pecksniff** wakes one night in the middle of the forest, lured there by a recurring nightmare - the one with the drums and the rattles and the masks. **The Dreamsnatcher** is waiting. He has already taken her dreams and now he wants her life.

Because Moll is more important than she knows... The Oracle Bones foretold that she and **Gryff**, a wildcat that has always been by her side, are the only ones who can fight back against the Dreamsnatcher's dark magic. Suddenly everything is at stake, and Moll is drawn into a world full of secrets, magic and adventure.
