Year 3 Update

Year 3 have had a fantastic half term with our project *Trust Me, I'm a Botanist*.

The children became trainee botanists in order to study the different parts of a plant and what their function is. We then gave advice in the style of Agony Aunt Letters to help the teachers with their ailing plants. Our learning didn't stop there as the children then used their artistic skills to study and sketch a range of plants and their craft skills to cross-stitch their very own bookmarks. The children are very proud of their achievements and we celebrated with a trip to Upton Country Park, where we practised our Geography field work with maps and compasses. We are very much looking forward to the Summer Term!

Un-named clothing

Since completely clearing the lost property at the end of last term, we already have an overflowing box full of un-named school jumpers and cardigans, and a number of water bottles, coats and miscellaneous lost property. Please ensure that clothing and bottles are clearly named so that any lost items can be promptly returned to their owner

Parking & Road Safety for drop off and collection

Please be mindful of safety on the roads when dropping off and collection children.

Reading Focus

My Brother Is A Superhero – David Solomons

Luke is a comic-mad eleven-year old who shares a treehouse with his geeky older brother, Zack. Luke's only mistake is to go for a wee right at the wrong time. While he's gone, an alien gives his undeserving, never-read-a-comic-in-his-life brother superpowers and then tells him to save the universe. Luke is massively annoyed about this, but when Zack is kidnapped by his arch-nemesis, Luke and his friends have only five days to find him and save the world...
