Reach For The Stars

Year 6 Update

In the last half term, Year 6 became Geographers in the project, Where in the World. Throughout this project, the children have been learning about the human and physical features of Peru and they have identified plants and animal groups which have adapted to that environment. The children have planned and drafted exciting adverts for visiting Peru. We were all really impressed by the use of figurative and persuasive language in their writing.

In Art, the children have learnt how to use soft pastels and they have begun to experiment with blending two colours and showing hatching and cross-hatching in order to show depth and realism. We have been really impressed with their final pieces.

Well done Year 6!

Miss G Roots
Year 6 Lead

YR & 1 - your cups to fill up with wrapped sweets will be coming home with your children on Monday 5th June - please fill them up and bring them back in on Friday 9th June. Make them nice and bright and colourful.

Netball – Sports report

To celebrate the end of our morning Netball Club this year, the Year 5&6 team took part in a very special fixture on Thursday morning...against the teachers!

Two games were played on the netball courts before school this Thursday morning, with the staff commenting on how agile and able their pupil opponents were. Who knew that Mr Curry was such an able scorer in Netball? It was a rather warm morning, resulting in many hot faces afterwards! Thank you to both the pupils and staff for a wonderful display of their netball skills - an event that was greatly enjoyed by all that took part. Perhaps we can look forward to this being a permanent fixture in the future?

Half-Term Events/ Things to do

The Parks Foundation

Please follow the link below to view a number of local free events during this half-term break: [Events - The Parks Foundation](#)

The Cameron Besspolka Trust

The Cameron Besspolka Trust is a charity that has been set up in Cameron's memory to inspire young people to love and appreciate animals, in particular birds, nature, and our environment. By experiencing the outdoors first hand, children can connect with nature and make a difference to our planet.

Hengistbury Head Writing Competition (All Year groups)

For our 9th Year of this competition, we invite you to reflect on how you might imagine yourself as part of the natural world:

"If you were a tree, what tree would you be?"

Or would you be like the sea?

Or a flea or a bee?"

Please see the attached information for more details

Bikeability Cycling Courses

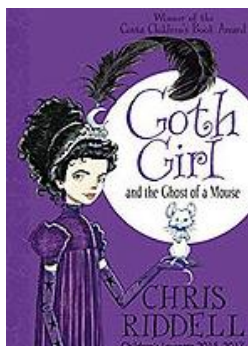

BCP Council hold a number of weekend and school holiday cycling courses at King's Park Cycle Centre or Bournemouth Velodrome. Please click the following link for more details

School projects/homework

Year R – Shoebox animal home – due in Friday 9th June

Reading Focus

Goth Girl – Chris Riddell

Ada Goth is the only child of Lord Goth. The two live together in the enormous Ghastly-Gorm Hall. Lord Goth believes that children should be heard and not seen, so Ada has to wear large clumpy boots so that he can always hear her coming. This makes it hard for her to make friends and, if she's honest, she's rather lonely. Then one day William and Emily Cabbage come to stay at the house and, together with a ghostly mouse called Ishmael, the three children begin to unravel a dastardly plot that Maltravers, the mysterious indoor gamekeeper, is hatching.
