

Dear Parents / Carers of children currently in years 2 - 5

From September 2023 we are hoping to be able to provide private music lessons in the following instruments. These lessons will need to be paid for by parents and your child will need their own instrument. Approximate costs for lessons are £7.50 – 15 min lesson / £10 – 20 min lesson, on an individual basis. All lessons are in school lesson time or break time. Your child will need to have their own instrument for their lesson and to practise at home.

Keyboard  
Piano  
Flute  
Clarinet  
Saxophone  
Guitar

These lessons will be offered if enough children sign up for them and a suitable teacher is available.

### **New for September 2023 (for children in current years 3, 4, 5)**

We are also hoping to offer small **group woodwind lessons** for 2 terms, to a limited number of children. (Flute, clarinet or saxophone) This will be subsidised by our music hub – Soundstorm. It will be £50 for the two terms, which includes hire of an instrument. As part of this you will have a free taster session this term (summer) for children who are interested. There are limited numbers for this project.

If you are interested in your child receiving instrumental lessons, please fill in the slip below and **return by Friday 23 June**. This doesn't commit you to anything at this stage and then the instrumental teacher will then contact you with further details. **Please also fill in the slip if your child currently has lessons and you wish them to continue.**

Any queries, please leave a message with the school office and I will get in contact with you.

Yours sincerely

A Price
