Year 2 Update

Year 2 have been incredibly busy since coming back from half term. We started our Great Escape project with a voice note from a very scared Gretel who was asking for our help to save her and Hansel from the wicked witch. The children immediately started designing and making a getaway car to get Hansel and Gretel away from the witch. They have needed to measure, saw and join lots of materials ready for their outcome to parents on the 14th July.

The children in Year 2 have been amazing scientists and have been asking questions about why and how colour drains and changes when it comes in contact with water. They used a variety of different pens to test and answer the questions they had. What super scientists they were!

The children all participated in our fantastic sports day on Wednesday. It was so wonderful to see the children getting involved and showing great team work in all the activities. The children loved having their parents watch them and particularly enjoyed the parent race so thank you to the parents who got involved!

We are so proud of what our Year 2 children have achieved this year and it has been an absolute pleasure to be their teachers.
