

Dear Parents and Carers,

We will be receiving our annual visit from the Life Education on:

Friday 22 September to Friday 29th September 2023

Life Education is a charity providing health and drug education support to schools. The specially designed programme provides an unforgettable experience for the children whilst contributing to our Personal, Social, Health and Citizenship curriculum. The fun, interactive and age-appropriate programmes help children to understand the **wonders of the human body** and how to look after it.

The cost for the Life Education programme is mainly subsidised through various organisations. However, we do need to ask parents for contribution to cover the remaining costs of **£3.50 per child** which can be paid via **WisePay**. We have reduced the cost per child from last year as we know that the last year have been a difficult one for many families, businesses etc, the school will be funding the remaining costs. Please can you make your **payment on line by WisePay by 9am on Monday 18th September 2023**.

Yours sincerely
