PE - 2022-2023 Review

It has been lovely to see so many of our pupils taking up sporting opportunities at Hill View this year. We have continued to offer free multi-sport clubs on a daily basis. In partnership with Foundation Sports, pupils have enjoyed participating in cricket, football, tag-rugby, basketball and dodgeball. In addition to this, school staff have also run netball and American football clubs.

Competitive opportunities are also important for children's experience of sport. It was a pleasure to see our pupils enjoying taking part in both boys and girls football tournaments in which their understanding of teamwork was evident. This was also noticeable when our netball club members played a friendly fixture against school staff although it was a sobering reminder for many of the adults that fitness often diminishes with age!

Finally, we would like to congratulate the pupils who attended the recent Town Sports competition, representing the school in sprinting, relay, long jump and distance running. This is always a special event to attend and we are proud of both the achievements of the children and the way they conducted themselves.

Governor Survey for Parents

Every year, we ask parents to complete our survey so we can seek their views and gather data to help us review the impact of the improvements the school is making. You can complete this year’s survey via our Survey Monkey link:

<https://forms.office.com/e/VrpCp6dZwh>

The closing date for responses is 12pm on 10th July 2023.

Thank you for contributing your views to the Local Governing Body, we really appreciate you taking the time to complete the survey.

Life Education

We will be receiving our annual visit from the Life Education on: Friday 22 September to Friday 29th September 2023

Life Education is a charity providing health and drug education support to schools. The specially designed programme provides an unforgettable experience for the children whilst contributing to our Personal, Social, Health and Citizenship curriculum. The fun, interactive and age-appropriate programmes help children to understand the wonders of the human body and how to look after it.

The cost for the Life Education programme is mainly subsidised through various organisations. However, we do need to ask parents for contribution to cover the remaining costs of **£3.50 per child which can be paid via WisePay**. We have reduced the cost per child from last year as we know that the last year has been a difficult one for many families, businesses etc, the school will be funding the remaining costs.

Please can you make you payment online by WisePay by 9am on Monday 18th September 2023.

Thank you

Have Your Say

Parents, we need your help!

We would like to hear about your experiences of using childcare in Bournemouth, Christchurch and Poole. This includes day nurseries, pre-schools, childminders, before and after school clubs and holiday clubs too.

If you are the parent or carer of children aged 0-14, or children with a special educational need or disability (SEND) aged 0-18, we need to hear from you. This short survey will give you the opportunity to feedback about the provisions you currently use, enabling us to provide the best support for your family in the future.

[Follow this link to have your say](#) or scan the QR code above with your phone. The survey is open until 1 September 2023.

Rail Safety Week

Following on from Rail Safety Week last week, please help to keep your child/ children safe around the rail network by sharing these 3 messages:

1. Being on the railway tracks is extremely dangerous
2. Trains can run at any time of day or night, even when not shown in the timetable, or on station information displays, or online.
3. On the Wessex and South Western Railway network trains are powered by a 'third rail' which carries 750v of electricity. This is always live, even when there are no trains running.
