Reach For The Stars

Newsletter No.38 w/c 17/07/23

Dear Parents/Carers,

What a fantastic year this has been! The children have not only learnt many new things but have also had a whole set of new experiences in their year groups, including the residentials in Year 4 (Hooke Court) and Year 6 (Fort Purbrook), visits to Marwell zoo (Year 2) and Farmer Palmers (Year R), as well as visitors such as artists, musicians and both drama and dance workshops.

In early autumn we will be refreshing each year group's page, so that it becomes a good place to look for the learning the children will be covering, upcoming events and dates as well as the letters that have been sent out. Please look out for links in the school newsletter.

The children as always have worked hard and are a credit to the school. Visitors routinely have commented on their manners and their willingness to share their learning.

I would like to thank you for the support you have given the school and its staff through your attendance of the many events that have taken place and being actively involved in the many PTFA fundraisers. The work the PTFA have done this year has yet again made a huge difference to the children at Hill View – thank you!

I would also like to take this opportunity to thank the staff for their continued commitment to ensuring your children make progress across the curriculum academically, socially and emotionally.

For those of you who are saying goodbye to the school as your children move onto secondary education, or move to new primary schools, we wish you and your children happiness and success in the future.

Finally, I would like to thank you in anticipation of your support and look forward to a successful year next year. May I take this opportunity to wish both parents and children a most enjoyable summer; we look forward to working with you all next term.

Yours sincerely,

Miss Victoria Buckland

Message from the Local Governing Body

As we always reflect at the end of the academic year on how busy and challenging the year has been, this year is no exception and we would like to take the opportunity to share our thanks to the school for the hard work and dedication of all the staff teams. We are particularly proud of everyone who worked together to secure the silver awards of the Arts Mark and SMSC Quality Mark.

We would also like to wish our Year 6 leavers the very best of luck for their next steps to secondary school and share a particular message of thanks to our Year 6 Ambassadors who have done amazing work this year in supporting their peers and contributing to a wide range of improvements across the school.

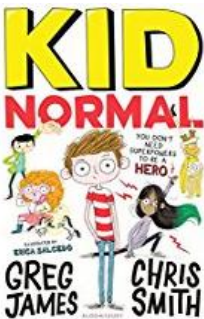

Finally, we would also like to thank parents who shared feedback through the parent survey. We will share details of this in the new academic year and we will also be sharing all of your comments and suggestions with the parent communication group so that parents can continue to help with driving the ideas and solutions for improvements next year.

Reading Focus Kid Normal – Greg James and Chris Smith

Murph Cooper has a problem.
His new school is top secret, and super weird. His classmates can all fly or control the weather or conjure tiny horses from thin air. And what's Murph's extraordinary skill? Um, oh yeah - he hasn't got one. Just as well there are no revolting supervillains lurking nearby, their minds abuzz with evil plans. There are!? Right. Ok, then...

MATHS AWARDS

Congratulations to the following Year 6 children who are the first to receive the new Master Mathematician badge. They have worked through many mathematical challenges, demonstrating excellent reasoning and problem solving. We are very proud of you all.
