

Dear Parents

***Did you know that by just registering your child for Free School Meals Hill View Primary School receives extra money?***

***If you register and are entitled to free schools meals you will also be entitled to an annual clothing grant to assist with the purchase of school uniform. The fact that you register does not mean that your child has to take up the free school meal.***

You will only be eligible if you are receiving one of the qualifying benefits. Please see the table below to establish whether you are eligible for Free School Meals:

Children who get paid these benefits directly, instead of through a parent or guardian, can also get free school meals.

### To Register:

If you think you qualify, you can complete an application form which you can collect from the school office or you can contact BCP Council on 01202123222 or email [fsm@bcpcouncil.gov.uk](mailto:fsm@bcpcouncil.gov.uk)

If you are unsure about any part of the process or would like some assistance with your application please contact the school office.

***If you are entitled, please help us to maximise our funding from the Government by submitting your application form to the Bournemouth LA by Friday 22<sup>nd</sup> September 2023***

Thank you for your continued support.

Yours sincerely

Miss V Buckland  
Headteacher
