## Reach For The Stars

Newsletter No.01 w/c 04/09/23

Dear Parents/Carers

I would like to wish you all a warm welcome to Hill View at the start of a new school year. It has been lovely seeing so many familiar faces as well as welcoming new parents and children to the school. The children are looking extremely smart and as I walk around the school it is evident that the children are settled and engaged in learning.

We have another exciting year ahead of us with many trips and visitors already booked as well as lots of new learning for your child/children as well as opportunities throughout the year for you to come and see your child's learning. On 25<sup>th</sup> September at 3.30 – 4.15pm you will be able to pop in to see the books and meet the teacher – we hope you can all join us. Please look out for other dates of outcomes etc.

Below are two new updates regarding our revised behaviour approach following from feedback from parents and our new home reading platform, coming soon.

### Behaviour

Firstly, I would like to remind you of the three school rules that we expect all children to follow, that is to be: Ready, Respectful and Safe. So you can help reinforce these with your child at home. Secondly, following feedback from parents and further reflection, we have slightly changed our Behaviour Policy so that we will no longer be putting or writing children's names onto a class traffic light that is visible to all other pupils, although the Traffic Lights will still be used as a reference point in each class. Staff now have personalised Traffic Light fans that will enable dealing with any behaviour matters to be less shaming, more consistently applied across the school.

### Reading

We are thrilled to announce that our home reading records will from this year be completed via the digital platform: BoomReader. We will be setting this up with the Teachers and student's over the first couple of weeks of term. We understand that changing from paper diaries can feel daunting, but we understand the many benefits of using the app will make the experience of logging reading clear, enjoyable and more rewarding. We will be sending more information out about this shortly and there will be more information in the newsletter. You can find out more about it here: [boomreader.co.uk/parents](https://boomreader.co.uk/parents)

If you have any concerns please speak to your class teacher first. If they continue the Year Lead is available to support. Finally a member of SLT is always happy to help.

Hope you have a lovely weekend and thank you in advance for your continued support.
