

Year 1 - 2023

Home Learning for 'Hill View Sandwich Bar'

Following the discovery of a mass of unhealthy wrappers from the teachers' staffroom, Miss Buckland sets the Year 1 children a challenge to create a healthy sandwich from a range of choices for the teachers. To get the best ideas they will look at and discuss a range of fillings, ask questions and use the ideas to create some healthy sandwiches. The children will research healthy food choices and learn about food hygiene. Each class will become a sandwich making team, who will take on different roles to produce the perfect healthy sandwich. Children will then present their sandwiches to the staff alongside some advice on healthy choices.

In Design Technology (D.T.):

Children will research sandwich fillings and the process needed to make a sandwich. They will make sandwiches, paying attention to hygiene and safety. Children will learn key skills such as cutting, grating and spreading which will then be used to make the final product. The children will then evaluate their sandwiches and give them a rating out of 5.

In English:

We will be writing accurate sentences that include capital letters, finger spaces, full stops and incorporate new vocabulary. We will learn the features of an instruction text:

1. 'How to' in the title
2. Time conjunctions
3. Numbered steps
4. Imperative verbs
5. Pictures

We will then have a go at writing our own instructions to make our own sandwich.

In Maths:

We will be continuing our work on using part whole models and addition number sentences. In the second part of the half term we will move on to solving subtraction problems.

Project Vocabulary

Below is listed some of the key vocabulary that we will use in school throughout the project. Please read and talk through them with your child. Perhaps they could even have a go at spelling some of them!

apples	sandwiches	
tomatoes	fillings	your
cooking	freshest	bread
baked	some	put
ask	full	
has	our	

Key information:

Please look out for a sign-up sheet on the playground in a couple of weeks' time - we will be looking for donations towards sandwich making (a list will be provided). Many thanks in advance

**Home Learning Due - Friday
8th December 2023**

Please see additional information sheet.

**This half term will also include
Christmas singing on the
playground - details to follow**

Please see the attached Home Learning that has been written and explained to your child. We really value the support you show to your child with their home learning in order for them to consolidate their collaboration and thinking skills. The Home Learning will be celebrated in class by your class teacher.
