

HOME LEARNING MENU

Your task is a treasure hunt! You need to find items of different materials at home e.g. metal, paper, plastic etc. and find out which is the strongest.

You can also choose to:

Write a poem about the Troll. This could be an acrostic poem, rhyming couplet, shape poem, senses poem or a riddle.

Create your own recipe that the troll might have in his cookery book. You could even make the dish, we would love to see photos or a presentation!

Using ICT, make an advert for the Troll's new cookery book coming out soon. What new disgusting recipes has he got? E.g. video, PowerPoint or poster.

We will be sharing our investigations in school and creating a class bar chart to find out, which is the strongest material overall. Please could home learning be handed in on w/b 4th December

Home Learning for 'The Troll'

When recording the findings from your treasure hunt remember to:

- Draw a picture of each item you find;
- Label each item you find;
- Plan an investigation to find out which items are the strongest.
- Record your findings, however you like (you could do a poster, a table, a graph etc.)

Enlist the help of an adult or friend to:

Help you find suitable materials;

Show you how to properly use any equipment or materials you are going to be investigating with;

Help record your results in an exciting way.

Listen to your ideas and check any spelling or dates.
