## Reach For The Stars

### Year 5 Update

Year 5 have had a brilliant start to the year with Professor Plutonium's chaotic challenges in Science, learning all about filtration in a super Wessex Water workshop and learning about the Anglo-Saxons in our latest project, The Dark Ages. Here's an update from some Year 5 pupils:

*"This term we have been learning about the Dark Ages and the famous helmet of King Raewald of East Anglia. We have also learnt the tale of Mrs Pretty and the mound of treasures discovered at Sutton Hoo, Suffolk! This was the biggest Anglo-Saxon discovery in the country! We learnt that the Dark Ages weren't dark at all. They were incredibly wealthy so if you were to ask, we would say they are more like the Light Ages. Did you know the Anglo Saxons originated in Scandinavia (Denmark, Holland and Germany)? "*

### There May Be A Castle – Piers Torday

On a frozen Christmas Eve, Mouse Mallory and his family set off across a snow-white valley to visit his grandparents. **They never arrive.** As the wheels skid off the icy road, Mouse is thrown from the car. When he wakes, he finds himself in a magical landscape, with only a talkative sheep and a very bossy horse for company. **And they tell him: this is your story now.** So begins Mouse's extraordinary quest through a world of wonder. A world of monsters, minstrels, dangerous knights and mysterious wizards; a world of terrifying danger but also more excitement than Mouse has ever known. **All to find a castle, somewhere, beyond.**
