

Dear Parents and Carers

We are aware we are expecting storm Ciaran, which the MET office has given a yellow warning for rain and winds over the next 24 hours for Bournemouth, as viewed on the MET office website.

Miss Buckland, Our Regional Site Manager, Mr Kellaway and Assistant Mr Rideout will be keeping a careful watch on the school and the weather conditions.

The school will remain open. If there are any changes to the school day or opening times we will of course keep you informed.

If the weather causes you to be late due to poor road conditions etc please rest assured that this will be taken into account when you register your child/children.

Do check it is safe to travel before leaving home tomorrow by local radio stations and the MET office.

Yours sincerely
