Music Update

Hill View Choir

Our Hill View Pavilion Choir - made up of children from years 5 and 6, have been working since the beginning of September on carols for the annual Bournemouth Schools Carol Festival in the Pavilion Theatre. Last week was performance week. After many rehearsals, our choir was very excited to be performing on stage with over 200 children from primary schools from around the town. Our choir were absolutely magnificent, representing our school with fantastic singing and exemplary behaviour at all times.

Well done!

Reporting Absence

When reporting your child's absence from school, please provide details of the reason they are not able to attend. We are required to record specific details than just "unwell". Please let us know specific symptoms such as temperature, cold/flu symptoms, vomiting etc. Providing these details will prevent us having to call you to

Year 3 Science Day – Friday 8th December

On Friday 8th December, Year 3 would like to have a Science day. This would consist of enrichment activities for the pupils to really get to grips with “working scientifically” skills.

It is a non-uniform day already, but we would like to give any pupils that wish to, the chance to dress up as a scientist (serious or crazy) and even tell us about a scientist that they admire or they have heard of. Please also send in your PTFA contributions if you have them.

Simple dressing up ideas could be an old white shirt or blouse that could act as a Scientists coat. A pair of old glasses without lenses could be the goggles. How far you wish to take this is up to you. Equally, if your child does not want to dress up, there is no expectation to do so.

We are looking forward to this and know the pupils will gain lots from this experience.

Many thanks for your support.

Year 3 Team

Year 6 Tortilla Cooking – w/c 4th December

The year 6 children will be cooking their own tortilla recipes in the week commencing 4th December 2023.

Pankhurst Class - Tuesday 5th December

Luther King Class - Wednesday 6th December

Sharman Class - Thursday 7th December

The school will provide the following ingredients for the basic tortilla mixture:

- 250g [plain flour](#), plus a little more for dusting
- 2 tbsp vegetable oil
- ½ tsp fine salt

The children have decided, in school, what extra ingredients they would ideally like to include in their tortilla. Please provide your child with the ingredients they wish to add to this basic recipe above. If your child has any intolerances, could you kindly provide the necessary alternative ingredients. **Some ingredients may need to be pre-cooked and it is essential that this is done at home. We do not have the facilities to pre-cook ingredients before they go into the tortilla (e.g. roasted vegetables, bacon, sausage, egg etc.)**

Children will bring home the tortillas to try with their family.
Thank you.

In the last grant year alone, your support helped change the lives of over 460,000 children and young people facing disadvantage, right here in the UK.

Thank you for your generosity.

Arianwyn has flunked her witch's assessment: She's doomed. Declared an apprentice and sent to the town of Lull in disgrace, she may never become a real witch-- much to the glee of her arch-rival, Gimma.

But remote Lull is not as boring as it seems. Strange things are sighted in the woods, a dangerous infestation of hex creeps throughout the town, and a mysterious magical visitor arrives with his eye on her.
