SLT Update

Dear parents/carers,

A Happy New Year to you all, it has been lovely welcoming everyone back. I hope you all enjoyed the Christmas holidays and managed to survive the bugs that seem to have been prevalent over the holiday. Thank you from all the staff, including myself, for all your kind and thoughtful good wishes.

It's great to see so many of you braving the winter weather and travelling to school on foot. Please can I remind you that for health and safety reasons, no bikes or scooters should be ridden on school grounds. This includes children, parents/carers and siblings. Thank you.

We are excited to be supporting the NSPCC Number Day later this half term and look forward to seeing children's number themed clothing/ accessories for non-uniform day on Friday 2nd February.

There are some exciting new projects starting and I am sure we will learn more about them in the coming weeks.

Kind regards,

Victoria Buckland
Headteacher

The aim of the New Maudsley Model is to lower anxiety and distress in family members and to give carers communication tools, skills and techniques that help them engage their loved one to improve their self-esteem and develop the resilience to embark on change.

Athlete Visit

On the 29th January Hill View will be visited by Otilie Robinson Shaw. Ottie is a five times World Champion freestyle Kayaker and will be bringing some extra fun and sports to our school. As part of this, as we have done in previous years, this has a fundraising opportunity part to it. Today, each child should have brought home a sponsorship form detailing information.

Our thanks for your continued support.

NSPCC Number Day (Friday 2nd February)

We are delighted to be supporting the NSPCC Number Day on Friday 2nd February 2024.

Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it.

- During the day, we will be working to solve exciting and practical maths puzzles in our classes, against the clock with Buddy, the Speak out. Stay safe mascot.
- To raise money for the NSPCC we will be having a **non-uniform day on Friday 2nd February**. Pupils are asked to wear an item of clothing with a number or numbers on it (football shirt, cap, netball shirt or even a onesie!). Or get even more creative by dressing in a maths or numbers theme. To help raise money for the NSPCC, we are asking for a £1 donation, and we'd love everyone in the school to take part in this special event.

We're really looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise at Hill View Primary will make an enormous difference to children today and help the NSPCC be there for children tomorrow.

Thank you.

Alex Sparrow And The Really Big Stink – Jennifer Killick

Alex Sparrow is a super-agent in training. He is also a human lie-detector. Working with Jess - who can communicate with animals - they must find out why their friends, and enemies, are all changing into polite and well behaved pupils. And exactly who is behind it all. This is a humorous tale full of smells, jokes and superhero references. Oh, and a rather clever goldfish called Bob. In a world where kids' flaws and peculiarities are being erased out of existence, Alex and Jess must rely on what makes them different to save the day.
