### Children's Mental Health Week (w/c 5<sup>th</sup> February)

As well as the events which will be taking place in school, we have created a different theme for each day to raise awareness for Children's mental health week. It is a week that empowers, equips and gives a voice to all children and young people in the UK.

Monday 5 <sup>th</sup> February		Children come into school in their uniform but also wearing a scarf of their choice. This is to represent that there is always someone around us to help, talk to and keep us safe.
Tuesday 6 <sup>th</sup> February		Children come into school in their uniform but also bring in a small teddy or small object of their choice which makes them feel happy and calm.
Wed 7 <sup>th</sup> February		Children come into school in their uniform but bring in a small photo of something or someone who makes them feel good and who they feel they can trust and talk to at home.
Thursday 8 <sup>th</sup> February		Children come into school in their own bright clothes. Wear something that makes you feel great and show off your personality.  We would like to ask for a small donation to be made for the charity 'Place2Be' which is a children's mental health awareness charity, providing support for children.
Friday 9 <sup>th</sup> February		<b>INSET day – school is closed to pupils</b>  Could you do an activity together to support your mental health? For example, go for a walk, go to the beach, do some drawing, bake a cake, the possibilities are endless.

### PARENT/CARER WEBINAR & FEEDBACK

Children's Mental Health Week begins on 5th February.  
This year's theme is 'My Voice Matters'.

My Voice Matters is about empowering young people to use their voices, share what matters to them, and encourage those around them to hear their voices.

We are keen to find out what support parents and carers require to support their children. We would love to hear your thoughts/ideas, please complete our online questionnaire

<https://forms.office.com/e/yE6ZEShu99>

If you would like to find out more about the Mental Health Support Team in Schools we would like to invite you to a **webinar** for Parent/Carers.

**Tuesday 6th Feb at 1pm - 1.30pm**

Please note: This webinar is only for parents and carers in schools we are currently working in. Please do not share with friends/family in other schools.

### Pupil Absence

If your child is going to be absent from school, please contact the school office:

**Tel:** 01202 514109

**E-mail:** [office@hillview.bournemouth.sch.uk](mailto:office@hillview.bournemouth.sch.uk)

If leaving a message or sending an e-mail, please give the following information:-

Child's name, Class/Year Group

**Reason for Absence**— We are required to record specific details rather than just "unwell". Please let us know your child's specific symptoms e.g. temperature, cold/flu symptoms, vomiting etc. Providing these details will prevent us calling you.

Please refer to the [NHS website](https://www.nhs.uk) for advice regarding whether to keep your child away from school if they are unwell.

# Safer Internet Day (Tuesday 6<sup>th</sup> February)

On Tuesday 6th February we are excited to be joining schools and youth organisations across the UK in celebrating Safer Internet Day 2024. Safer Internet Day is a global campaign to promote the safe and responsible use of technology, which calls on young people, parents, carers, teachers, social workers and more, to help to create a better internet.

This year the campaign will be focusing on change online, this includes covering:

- Young people’s perspective on new and emerging technology
- Using the internet to make change for the better
- The changes young people want to see online
- The things that can influence and change the way young people think, feel and act online and offline

Using the internet safely and positively is a key message that we promote in school, and celebrating Safer Internet Day is a great opportunity for us to re-emphasise the online safety messages we deliver throughout the year.

We would be delighted if you could join us in celebrating the day by continuing the conversation at home. This could be engaging in discussions about what our students access online, asking their thoughts and opinions on artificial intelligence and how things are changing online for some of our older students or simple spending time with your family online- this is an important way to support their understanding of how they should behave on technology and what to do if something worries or upsets them.

If you have any concerns or questions about keeping your child safe online, please do get in touch with your child’s class teacher, Miss Buckland. Ms Smith or Miss Butler.

Thank you for your support.

Deadline for purchasing tickets either by Classlist or Cash will be Tuesday 19<sup>th</sup> March at 3pm.

### Fundraising Update

As you all know, we have (alongside the school too) raised enough funds for the school to purchase a brand-new minibus which is on order and hopefully be with us before September.

The next fundraising was going to be for a brand-new ICT Suite! After all our success since the start of this academic year, we are super pleased to announce that we have £10,000 to buy the computers now!! 🤖

The school have just undergone a new internet provider/system upgrade so things need to settle down a little and then they will be ordered.

What an achievement from everyone involved. Everything we do is for these moments and getting to a milestone sooner than expected is just the best! We can't wait to see the children's faces 😊

What's next..... the next fundraising will be going towards a 'Playground Refurb'. This involves various items around the playground but specifically a new summer hut and new adventure playground flooring.

We are unsure of the amount required at the moment, but it will be £££££'s. Every raffle ticket, disco ticket, fayre game played goes towards us being able to renew these items for our children.

Thank you so much for your continued support.
